notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, *Section 12.2*), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in *Section 12.2(b)(iv)*;

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under *Section 3.5*) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) such Lender being replaced pursuant to this *Section 3.7* shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, and (ii) deliver any Revolving Credit Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Revolving Credit Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Revolving Credit Notes shall be deemed to be canceled upon such failure;

(d) pursuant to such Assignment and Assumption, (i) the Eligible Assignee shall acquire all or a portion, as the case may be, of the assigning Lender's Revolving Credit Commitment and outstanding Loans, (ii) the Eligible Assignee shall purchase, at par, all Loans, accrued interest, accrued fees and other amounts owing to the assigning Lender as of the date of replacement and (iii) upon such payment (regardless of whether such replaced Lender has executed an Assignment and Assumption or delivered its Revolving Credit Notes to the Borrower or the Administrative Agent), the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Revolving Credit Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under *Section 3.4* or payments required to be made pursuant to *Section 3.1*, such assignment will result in a reduction in such compensation or payments thereafter; and

(f) such assignment does not conflict with applicable Laws.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a

certain Class or Classes of the Loans and (iii) the Requisite Lenders or the requisite Lenders of the applicable Class or Classes of the Loans, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “Non-Consenting Lender.”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.8 Survival. All of the Borrower’s obligations under this *Article III* shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent, the Collateral Agent, the Swing Loan Lender or any Issuer.

SECTION 10.3 Application of Funds. After the exercise of remedies provided for in *Section 10.2* (or after the Loans have automatically become immediately due and payable and the Letter of Credit Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to *Section 10.2*), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

Subject to Sections 2.4, 2.16, 8.12 and 10.5, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause *Sixth* above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Notwithstanding the foregoing, if sufficient funds are not available to fund all payments to be made in respect of any Secured Obligation described in any of clauses *First* through *Eighth* above, the available funds being applied with respect to any such Secured Obligation (unless otherwise specified in such clause) shall be allocated to the payment of such Secured Obligation ratably, based on the proportion of the Administrative Agent's and each Lender's or Issuer's interest in the aggregate outstanding Secured Obligations described in such clauses; *provided, however*, that payments that would otherwise be allocated to the Lenders shall be allocated *first* to repay Protective Advances and Swing Loans *pro rata* until such Protective Advances and Swing Loans are paid in full and *then* to repay the Loans. The order of priority set forth in clauses *First* through *Eighth* above may at any time and from time to time be changed by the agreement of all Lenders without necessity of notice to or consent of or approval by the Borrower, any Secured Party that is not a Lender or Issuer or by any other Person that is not a Lender or Issuer. The order of priority set forth in clauses *First* through *Eighth* above may be changed only with the prior written consent of the Administrative Agent in addition to that of all Lenders. Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to the Obligations otherwise set forth above in this Section.

SECTION 10.4 Borrower's Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 10.1, in the event of any Event of Default under any covenant set forth in Article VI and until the expiration of the tenth (10th) Business Day after the date on which the Consolidated Fixed Charge Coverage Ratio calculation would be required to be delivered pursuant to Section 6.1 or Section 7.2(a) (such date, the "*Cure Expiration Date*"), following delivery of a Notice of Intent to Cure in accordance herewith, the Borrower may designate any portion of the Net Cash

Proceeds of any issuance of common Equity Interests of the Borrower or any cash capital contribution to the common equity of the Borrower as an increase to Consolidated EBITDA with respect to such applicable quarter; *provided* that all such Net Cash Proceeds to be so designated (i) are actually received by the Borrower as cash common equity (including through capital contribution of such Net Cash Proceeds to the Borrower) after the date of such notice and before the Cure Expiration Date and (ii) the aggregate amount of such Net Cash Proceeds or cash capital contribution that are so designated shall not exceed 100% of the aggregate amount necessary to cure such Event of Default under *Article VI* for any applicable period.

(b) Upon receipt by the Borrower of any such designated Net Cash Proceeds or cash capital contribution (the “Cure Amount”) in accordance with this *Section 10.4*, Consolidated EBITDA for any period of calculation which includes the last Fiscal Quarter of the Test Period ending immediately prior to the date on which such Cure Amount was received shall be increased, solely for the purpose of calculating any financial ratio set forth in *Article VI*, by an amount equal to the Cure Amount. The resulting increase to Consolidated EBITDA and any reduction in Indebtedness, if applicable, from designation of a Cure Amount shall not result in any adjustment to Consolidated EBITDA or any other financial definition for any purpose under this Agreement other than for purposes of calculating the financial ratio set forth in *Article VI* and for additional clarification shall not adjust the calculation of Consolidated EBITDA for purposes of determining the Net Leverage Ratio or Consolidated Fixed Charge Coverage Ratio (other than for purposes of actual compliance with *Article VI* as of the end of any applicable Test Period).

(c) If, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of *Article VI*, the Borrower shall be deemed to have satisfied the requirements of *Article VI* as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable existing breach or default of *Article VI* shall be deemed cured for this purpose of the Agreement.

(d) In each period of four Fiscal Quarters, there shall be at least two (2) Fiscal Quarters for which Consolidated EBITDA is not increased by exercise of a cure pursuant to *Section 10.4(a)*. Consolidated EBITDA may not be increased by exercise of a cure pursuant to *Section 10.4(a)* more than four (4) times during the term hereof.

SECTION 10.5 Actions in Respect of Letters of Credit; Cash Collateral.

(a) At any time (i) upon the Revolving Credit Termination Date, (ii) after the Revolving Credit Termination Date when the aggregate funds on deposit in the Concentration Account to Cash Collateralize Letter of Credit Obligations shall be less than 103% of the Letter of Credit Obligations and (iii) as may be required by *Section 2.9* or *Section 2.16*, the Borrower shall pay to the Administrative Agent in Same Day Funds at the Administrative Agent’s office referred to in *Section 12.8*, for deposit in the Concentration Account, (x) in the case of *clauses (i)* and *(ii)* above, the amount required to that, after such payment, the aggregate funds on deposit in the Concentration Account counts equals or exceeds 103% of the sum of all outstanding Letter of Credit Obligations and (y) in the case of *clause (iii)* above, the amount required by *Section 2.9*. The Administrative Agent may, from time to time after funds are deposited in the Concentration Account, apply funds then held in the Concentration Account to the payment of any amounts, in

accordance with *Section 2.9* and *Section 10.2(b)*, as shall have become or shall become due and payable by the Borrower to the Issuers or Lenders in respect of the Letter of Credit Obligations. The Administrative Agent shall promptly give written notice of any such application; *provided, however*, that the failure to give such written notice shall not invalidate any such application. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(b) *Application*. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this *Section 10.5* or *Sections 2.4, 2.9, 2.13* or *10.2* in respect of Letters of Credit or Swing Loans shall be held and applied to the satisfaction of the specific Letter of Credit Obligations, Swing Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(c) *Release*. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender or, as appropriate, its assignee following compliance with *Section 12.2(b)(vi)*) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default or Event of Default (and following application as provided in this *Section 10.5* may be otherwise applied in accordance with *Section 10.3*), and (y) the Person providing Cash Collateral and the applicable Issuer or Swing Loan Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

ARTICLE XI

THE ADMINISTRATIVE AGENT

SECTION 11.1 Appointment and Authorization.

(a) Each of the Lenders and the Issuers hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this *Article XI* (other than *Sections 11.6* and *11.11*) are solely for the benefit of the Administrative Agent, the Lenders and the Issuers, and the Borrower shall not have rights as a third party beneficiary of any such provision.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank and/or Cash Management Bank) and the Issuers hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and such Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to *Section 11.5* for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this *Article XI* and *Article XII* (including, without limitation, *Sections 11.3, 11.13, 12.3, 12.4* and *12.5*, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 11.2 Rights as a Lender.

Any Person serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 11.3 Exculpatory Provisions. Neither the Administrative Agent nor any other Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent):

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express)

obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Requisite Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in *Sections 12.1 and 12.2*) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein.

The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or an Issuer. Upon the occurrence of a Default or an Event of Default, the Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Requisite Lenders. Unless and until the [Administrative](#) Agent shall have received such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Default or Event of Default as it shall deem advisable in the best interest of the Secured Parties. In no event shall the Administrative Agent be required to comply with any such directions to the extent that the Administrative Agent believes that its compliance with such directions would be unlawful.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in *Article IV* or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or (vii) to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

SECTION 11.4 Reliance by the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Requisite Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Requisite Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; provided that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

SECTION 11.5 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Agent-Related Persons of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 11.6 Resignation of Administrative Agent and Collateral Agent.

(a) The Administrative Agent or the Collateral Agent may at any time give notice of its resignation to the Lenders, the Issuers and the Borrower. Upon receipt of any such notice of resignation, the Requisite Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent of the Borrower shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States. If no such successor shall have been so appointed by the Requisite Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders and the Issuers, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent on behalf of the Lenders or the Issuers under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor of such Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuer directly, until such time as the Requisite Lenders appoint a successor Administrative Agent as provided for above in this *Section 11.6*. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Requisite Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this *Section 11.6*). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and *Sections 12.3, 12.4 and 12.5* shall continue in effect for the benefit of such retiring Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

(b) Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuer and Swing Loan Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the

retiring Issuer and Swing Loan Lender, (ii) the retiring Issuer and Swing Loan Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuer shall issue letters of credit in substitution for the Letters of Credit issued by Bank of America, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuer to effectively assume the obligations of the retiring Issuer with respect to such Letters of Credit.

SECTION 11.7 Non-Reliance on Administrative Agent and Other Lenders; Disclosure of Information by Agents.

Each Lender and each Issuer acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender and each Issuer also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Agent-Related Persons and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

SECTION 11.8 No Other Duties; Other Agents, Arrangers, Managers, Etc.

Anything herein to the contrary notwithstanding, none of the Arrangers, Co-Syndication Agents or the ~~Documentation~~ **Agent**Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder and such Persons shall have the benefit of this *Article XI*. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrower or any of their respective Subsidiaries. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 11.9 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to enter into the Intercreditor Agreement, and the parties hereto acknowledge that the Intercreditor Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Collateral other than the Current Asset Collateral securing the Obligations on the terms set forth in the Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the Intercreditor Agreement or other intercreditor agreement contemplated hereunder or under any Loan Document with the collateral agent or other representative of the holders of Indebtedness that is secured by a Lien on Collateral that is not prohibited (including with respect to priority) under this Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower and such Secured Parties are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement.

SECTION 11.10 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuers and the Administrative Agent under Sections 2.12, 12.3 and 12.4) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.12, 12.3 and 12.4.

Nothing contained herein shall be deemed to authorize the Administrative Agent to credit bid any of the Obligations without the consent of the ~~Required~~Requisite Lenders or

authorize or consent to or accept or adopt on behalf of any Lender or any Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuer in any such proceeding.

SECTION 11.11 Collateral and Guaranty Matters.

Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) and the Issuers irrevocably authorizes the Administrative Agent (including in its capacity as Collateral Agent) to, and the Administrative Agent agrees that it will:

(a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations and liabilities under Secured Hedge Agreements and Cash Management Obligations as to which arrangements satisfactory to the applicable Hedge Bank or Cash Management Bank, respectively shall have been made and (y) contingent indemnification obligations not yet accrued and payable) and the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements reasonably satisfactory to the Administrative Agent and each applicable Issuer shall have been made), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than Holdings, the Borrower or any of its Domestic Subsidiaries that are Guarantors, (iii) subject to *Section 12.1*, if the release of such Lien is approved, authorized or ratified in writing by the Requisite Lenders, or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by *Section 9.1(i)*;

(c) release any Guarantor from its obligations under the Guaranty if (i) in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder or (ii) in the case of Holdings, as a result of a transaction permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of ~~the~~any Term Facility, ~~Senior Notes~~ or any Junior Financing; and

(d) if any Guarantor shall cease to be a Material Domestic Subsidiary (as certified in writing by a Responsible Officer of the Borrower), and the Borrower notifies the Administrative Agent in writing that it wishes such Guarantor to be released from its obligations under the Guaranty and provides the Administrative Agent and the Collateral Agent such certifications or documents as either such Agent shall reasonably request, (i) release such Subsidiary from its obligations under the Guaranty and (ii) release any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary; *provided* that no such release shall occur if such Subsidiary continues to be a guarantor in respect of ~~the~~any Term Facility, ~~the Senior Notes~~ or any Junior Financing.

Upon request by the Administrative Agent at any time, the Requisite Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this *Section 11.11*. In each case as specified in this *Section 11.11*, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this *Section 11.11*.

SECTION 11.12 Secured Cash Management Agreements and Secured Hedge Agreements.

(a) Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of *Section 10.3*, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this *Article XI* to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

(b) Each Secured Party hereby agrees (i) that, after the occurrence and during the continuance of a Cash Dominion Period (and thereafter at such frequency as the Administrative Agent may reasonably request in writing), it will provide to the Administrative Agent, promptly upon the written request of the Administrative Agent, a summary of all Obligations owing to it under this Agreement and (ii) that the benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not an Agent, a Lender or an Issuer party hereto as long as, by accepting such benefits, such Secured Party agrees, as among Agent and all other Secured Parties, that such Secured Party is bound by (and, if requested by Agent, shall confirm such agreement in a writing in form and substance reasonably acceptable to Agent) this *Article XI* and *Sections 3.1, Sections 12.4, 12.6, 12.19, 12.23 and 12.26* and the Intercreditor Agreement, and the decisions and actions of any Agent and the Requisite Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties hereto as required herein) to the same extent a Lender is bound; *provided, however*, that, notwithstanding the foregoing *clause (ii)*, (x) such Secured Party shall be bound by the

provisions set forth above only to the extent of liabilities, reimbursement obligations, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements with respect to or otherwise relating to the Liens and Collateral held for the benefit of such Secured Party, in which case the obligations of such Secured Party thereunder shall not be limited by any concept of pro rata share or similar concept, (y) each of the Agents, the Lenders and the Issuers party hereto shall be entitled to act at its sole discretion, without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (z) such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any Loan Document.

SECTION 11.13 Indemnification of Agents.

Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; provided that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; provided that no action taken in accordance with the directions of the Requisite Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this *Section 11.13*. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this *Section 11.13* applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this *Section 11.13* shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent, the Swing Loan Lender or any Issuer.

SECTION 11.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

MISCELLANEOUS

SECTION 12.1 Amendments, Etc. ~~Except~~ Subject to Section 3.3(c) and except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Requisite Lenders and the Borrower or the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that, no such amendment, waiver or consent shall:

(a) extend or increase the Revolving Credit Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that (i) a waiver of any condition precedent set forth in *Section 4.2* and (ii) the waiver of any Default, mandatory prepayment or mandatory reduction of the Revolving Credit Commitments shall not constitute an extension or increase of any Revolving Credit Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under *Section 2.6* or *2.10* without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans or any condition precedent set forth in Section 4.2 shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or Letter of Credit Borrowing, or (subject to *clause (iii)* of the second proviso to this *Section 12.1*) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby (it being understood that any change to any component of "Excess Availability" shall not constitute a reduction in the rate of interest); *provided* that only the consent of the Requisite Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this *Section 12.1*, the definition of "Requisite Lenders", "Supermajority Lenders" or any other provision specifying the number of Lenders or portion of the Loans or Revolving Credit Commitments required to take any action under the Loan Documents, without the written consent of each Lender affected thereby;

(e) other than in a transaction permitted under *Section 9.4* or *9.5*, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in a transaction permitted under *Section 9.4* or *9.5*, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) change the definition of the term “Borrowing Base” or any component definition thereof, but excluding the definition of “~~Eligible Accounts Advance Rate~~”, “Credit Card Advance Rate”, “Letter of Credit Advance Rate”, “~~Eligible~~ Inventory Advance Rate” or “In-Transit Advance Rate”, in each case the amendment or modifications of which shall be subject to *clause (h)* below, if as a result thereof the amounts available to be borrowed by the Borrower would be increased, without the written consent of the Supermajority Lenders, *provided* that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Availability Reserves, Inventory Reserves or Shrink Reserves without the consent of any Lenders; or

(h) increase the numerical percentage contained in ~~Eligible Accounts Advance Rate~~, Credit Card Advance Rate, Letter of Credit Advance Rate, ~~Eligible~~ Inventory Advance Rate or In-Transit Advance Rate without the written consent of each Lender; *provided* that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Availability Reserves, Inventory Reserves or Shrink Reserves without the consent of any Lenders;

(i) except as provided by operation of applicable Law or in the Intercreditor Agreement, without the prior written consent of all Lenders directly affected thereby, (i) subordinate the Obligations hereunder to any other Indebtedness, or (ii) subordinate the Liens granted hereunder or under the other Loan Documents to any other Lien; or

(j) change the order of the application of funds specified in *Section 10.3* without the written consent of each Lender directly affected thereby;

and *provided further* that (i) no amendment, waiver or consent shall, unless in writing and signed by each Issuer in addition to the Lenders required above, affect the rights or duties of an Issuer under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Loan Lender in addition to the Lenders required above, affect the rights or duties of the Swing Loan Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iv) *Section 12.2(g)* may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of

whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (v) the consent of Requisite Lenders shall be required with respect to any amendment that by its terms adversely affects the rights of the Lenders under such Facility in respect of payments hereunder in a manner different than such amendment affects other Revolving Loan. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Revolving Credit Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding anything to the contrary contained in *Section 12.1*, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement or any other Loan Document, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender and that has been approved by the Requisite Lenders, the Borrower may replace such non-consenting Lender in accordance with *Section 3.7*; *provided* that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

No Lender or Issuer consent is required to effect any amendment or supplement to any Intercreditor Agreement or any other intercreditor agreement that is for the purpose of adding the holders of Permitted Pari Passu Secured Debt (as defined in any of the Term Loan Facility Agreements) (or a debt representative with respect to any Indebtedness with respect to which it is a representative or agent) as parties thereto, as expressly contemplated by the terms of such intercreditor agreement (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing).

SECTION 12.2 Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by *Section 9.4*, assign or otherwise transfer any of its rights or obligations hereunder

without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of *subsection (b)* of this Section, (ii) by way of participation in accordance with the provisions of *subsection (d)* of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of *subsection (f)* of this Section, or (iv) to an SPC in accordance with the provisions of *subsection (g)* of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in *subsection (d)* of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Credit Commitment and the Loans (including for purposes of this subsection (b), participations in Letter of Credit Obligations and in Swing Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts.*

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Credit Commitment and the Loans of any Class at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in *subsection (b)(i)(A)* of this Section, the aggregate amount of the Revolving Credit Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Revolving Credit Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1,000,000 unless each of the Administrative Agent and, so long as no Event of Default under *Section 10.1(a)* or *(f)*, solely with respect to the Borrower, has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however,* that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) *Proportionate Amounts.* Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Revolving Credit Commitment assigned, except that this clause (ii) shall not apply to rights in respect of the Swing Loan Lender's rights and obligations in respect of Swing Loans;

(iii) *Required Consents.* No consent shall be required for any assignment except to the extent required by *subsection (b)(i)(B)* of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld) shall be required unless (1) an Event of Default under *Section 10.1(a)* or, solely with respect to the Borrower, *Section 10.1(f)*, has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender;

(C) the consent of the Issuers (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Loan Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment;

(iv) *Assignment and Assumption.* The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided, however*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The Eligible Assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. All assignments shall be by novation.

(v) *No Assignment to Certain Persons.* No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower's Affiliates or Subsidiaries (including the Sponsor), or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this *clause (B)*, (C) to a natural person or an investment vehicle of a natural person or (D) any Disqualified Institution to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform.

(vi) *Certain Additional Payments.* In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to *clause (c)* of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of *Sections 3.1, 3.4, 3.5, 12.3, 12.4 and 12.5* with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Revolving Credit Note, the Borrower (at its expense) shall execute and deliver a Revolving Credit Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with *subsection (d)* of this Section.

(c) *Register.* The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Revolving Credit Commitments of, and principal amounts (and related interest amounts) of the Loans and Letter of Credit Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "*Register*"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all

purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This *Section 12.2(c)* and *Section 2.7* shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or an investment vehicle of a natural person, any Disqualified Institution to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform, a Defaulting Lender or the Borrower or any of the Borrower’s Affiliates or Subsidiaries) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Revolving Credit Commitment and/or the Loans (including such Lender’s participations in Letter of Credit Obligations and/or Swing Loans) owing to it); *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents, the other Lenders and the Issuers shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to *Section 12.1* (other than *clause (d)* thereof) that directly affects such Participant. Subject to *subsection (e)* of this Section, the Borrower agrees that each Participant shall be entitled (through the applicable Lender) to the benefits of *Sections 3.1, 3.4 and 3.5* (subject to the requirements and limitations of such Sections (including the limitation in the definition of “Excluded Taxes”), and *Sections 3.6(a) and 3.7*, as if the Participant were a Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to *subsection (b)* of this Section. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of *Section 12.6* as though it were a Lender, *provided* such Participant agrees to be subject to *Section 12.7* as though it were a Lender.

(e) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under *Section 3.1, 3.4 or 3.5* than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant shall not be entitled to the benefits of *Section 3.1* unless the Borrower is notified of the participation sold to such Participant, the applicable Lender (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintains a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder

relating to the exemption from withholding for portfolio interest on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "*Participant Register*") and such Participant agrees, for the benefit of the Borrower, to comply and does in fact comply with *Section 3.1* as though it were a Lender. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury regulations. Unless otherwise required by the IRS, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the IRS. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Any Lender may, at any time, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Revolving Credit Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "*Granting Lender*") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "*SPC*") the option to provide all or any part of any Revolving Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Revolving Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Revolving Loan, the Granting Lender shall be obligated to make such Revolving Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under *Section 2.13(e)*. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under *Sections 3.1, 3.4* and *3.5*, but such obligations under *Section 3.1* as to an SPC will only exist if the SPC satisfies the requirements of *Section 3.1* as if it were a Lender), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Revolving Loan by an SPC hereunder shall utilize the Revolving Credit Commitment of the Granting Lender to the same extent, and as if, such Revolving Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other

Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Revolving Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Revolving Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) *Resignation as Issuer or Swing Loan Lender after Assignment.* Notwithstanding anything to the contrary contained herein, if at any time Bank of America or any other Issuer assigns all of its Revolving Credit Commitment and Revolving Loans pursuant to *subsection (b)* above, Bank of America or the applicable Issuer may, (i) upon thirty (30) days' notice to the Borrower and the Lenders, resign as Issuer and/or (ii) if applicable, upon thirty (30) days' notice to the Borrower, resign as Swing Loan Lender. In the event of any such resignation as Issuer or Swing Loan Lender, the Borrower shall be entitled to appoint from among the Lenders a successor Issuer or Swing Loan Lender hereunder; *provided, however*, that no failure by the Borrower to appoint any such successor shall affect the resignation of Bank of America or the applicable Issuer as Issuer or (as applicable) Swing Loan Lender, as the case may be. If Bank of America or the applicable Issuer resigns as Issuer, it shall retain all the rights, powers, privileges and duties of an Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as Issuer and all Letter of Credit Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in unreimbursed amounts under Letters of Credit pursuant to *Section 2.4*). If Bank of America resigns as Swing Loan Lender, it shall retain all the rights of the Swing Loan Lender provided for hereunder with respect to Swing Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Loans pursuant to *Section 2.3*. Upon the appointment of a successor Issuer and/or Swing Loan Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuer or Swing Loan Lender, as the case may be, and (b) the successor Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America or the applicable Issuer to effectively assume the obligations of Bank of America or the applicable Issuer with respect to such Letters of Credit.

(i) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 12.2(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified

Institution and the Administrative Agent, (A) in the case of outstanding Loans held by Disqualified Institutions, purchase or prepay such Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 12.2), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(a) Notwithstanding anything herein to the contrary, the provisions of this Section 12.2 shall not apply retroactively to disqualify any person that has previously acquired an assignment or interest in any of the Loans with respect to amounts previously acquired to the extent such party was not a Disqualified Institution at the time of the applicable assignment but for only so long as such person continues to hold such Loans.

SECTION 12.3 Costs and Expenses.

The Borrower agrees (a) ~~if the Effective Date occurs,~~ to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, ~~including~~and in the case of legal fees and expenses, limited to all Attorney Costs of ~~Riemer & Braunstein~~Morgan, Lewis & Bockius LLP and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of the Lenders taken as a whole, and (b) to pay or reimburse the Administrative Agent, the Issuers and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and ~~including~~in the case of legal fees and expenses, limited to all Attorney Costs of one counsel to the Administrative Agent, the Issuers and the Lenders taken as a whole (and, if reasonably necessary, one local counsel in any relevant material jurisdiction and, in the event of any conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole of the affected parties)). The agreements in this Section 12.3 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 12.3 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail and such supporting material as the Borrower may reasonably request. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

SECTION 12.4 Indemnities.

The Borrower shall indemnify and hold harmless the Agents, each Lender, each Issuer, the Arrangers and their respective Affiliates, directors, officers, employees, agents, partners, trustees or advisors and other representatives (collectively the “*Indemnitees*”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnatee in any way relating to or arising out of or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (i) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (ii) any Revolving Credit Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (iii) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liabilities arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnatee is a party thereto (all the foregoing, collectively, the “*Indemnified Liabilities*”); *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnatee or of any affiliate, director, officer, employee or agent of such Indemnatee, (y) a material breach of any obligations under any Loan Document by such Indemnatee or of any Related Indemnified Person, in each case as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnatee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under the Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this *Section 12.4* may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnatee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnatee or any Loan Party have any liability for any special, punitive, indirect or consequential damages

relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Effective Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party). In the case of an investigation, litigation or other proceeding to which the indemnity in this *Section 12.4* applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this *Section 12.4* shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this *Section 12.4* shall survive the resignation of the Administrative Agent, the Collateral Agent, the Swing Loan Lender or any Issuer, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This *Section 12.4* shall not apply to Taxes, which shall be governed by *Section 3.1*. This *Section 12.4* also shall not apply to Other Taxes or to Taxes covered by *Section 3.4*.

SECTION 12.5 Limitation of Liability.

The Loan Parties agree that no Indemnitee shall have any liability (whether in contract, tort or otherwise) to any Loan Party or any of their respective Subsidiaries or any of their respective equity holders or creditors for or in connection with the transactions contemplated hereby and in the other Loan Documents, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnitee's gross negligence or willful misconduct or bad faith or breach by such Indemnitee of its material obligations under this Agreement. In no event, shall any party hereto or any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings). Each party hereto hereby waives, releases and agrees (each for itself and on behalf of its Subsidiaries) not to sue upon any such claim for any special, indirect, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in its favor.

SECTION 12.6 Right of Set-off.

If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such other Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right

of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of *Section 2.16* and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 12.7 Sharing of Payments.

If, other than as expressly provided elsewhere herein, any Lender shall obtain payment in respect of any principal of or interest on account of the Loans made by it, or the participations in Letter of Credit Obligations and Swing Loans held by it (in each case, whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in Letter of Credit Obligations or Swing Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment of principal of or interest on such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in *Section 12.14* (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The provisions of this Section shall not be construed to apply to the application of Cash Collateral provided for in *Sections 10.3* and *10.5*. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of set-off, but subject to *Section 12.6*) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this *Section 12.7* and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this *Section 12.7* shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 12.8 Notices and Other Communications; Facsimile Copies.

(a) *General.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in *subsection (b)* below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower, the Administrative Agent, an Issuer or the Swing Loan Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on *Schedule 12.8*; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in *subsection (b)* below shall be effective as provided in such *subsection (b)*.

(b) *Electronic Communications.* Notices and other communications to the Lenders and the Issuers hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or Issuer pursuant to *Article II* if such Lender or Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(c) *Receipt.* Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing *clause (i)* of notification that such notice or communication is available and identifying the website address therefor.

(d) *The Platform*. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the “*Agent Parties*”) have any liability to Holdings, the Borrower, any Lender, any Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender, any Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) *Change of Address*. Each of Holdings, the Borrower, the Administrative Agent, each Issuer and the Swing Loan Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, each Issuer and the Swing Loan Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(f) *Reliance by Administrative Agent, Issuers and Lenders*. The Administrative Agent, the Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notices of Borrowing or Swing Loan Requests) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified

herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Issuer, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 12.9 No Waiver; Cumulative Remedies.

No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 12.10 [Reserved.]

SECTION 12.11 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender, Swing Loan Lender and each Issuer that each such Lender, Swing Loan Lender and Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

SECTION 12.12 Governing Law; Submission to Jurisdiction; Service of Process.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER AND HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO

AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE ADMINISTRATIVE AGENT AND THE LENDERS (BUT NOT THE BORROWER OR HOLDINGS) RETAINS THE RIGHT TO BRING PROCEEDINGS AGAINST THE BORROWER OR HOLDINGS IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY LOAN DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 12.14 Marshaling; Payments Set Aside.

None of the Administrative Agent, any Lender or any Issuer shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of

set-off, and such payment or the proceeds of such set-off or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 12.15 Execution in Counterparts.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in *Sections 4.1* and *4.3*, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 12.16 Electronic Execution of Assignments and Certain Other Documents.

The words “execute,” “execution,” “signed,” “signature,” and words of like import in ~~any Assignment and Assumption or in any amendment or other modification hereof (including or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Notice of Borrowing, Swing Loan Request, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable ~~law~~Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.~~

This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication"), including Communications required to be in writing, may, if agreed by the Administrative Agent, be in the form of an Electronic Record and may be executed using Electronic Signatures, including, without limitation, facsimile and/or .pdf. The Loan Parties agree that any Electronic Signature (including, without limitation, facsimile or .pdf) on or associated with any Communication shall be valid and binding on the Loan Parties to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Loan Parties enforceable against the Loan Parties in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered to the Administrative Agent. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each Lender may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the Administrative Agent's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, each Secured Party shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

SECTION 12.17 Confidentiality.

Each of the Administrative Agent, the Lenders and the Issuers agrees to maintain the confidentiality of the Information in accordance with its customary procedures (set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided* that the Administrative Agent or such Lender, as applicable, agrees

that it will notify the Borrower as soon as practicable prior to any such disclosure by such Person unless such notification is prohibited by applicable Laws, or except in connection with any request as part of a regulatory examination, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of such disclosure unless such notification is prohibited by law, rule or regulation or except in connection with any request as part of a regulatory examination, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions at least as restrictive as those of this *Section 12.17*, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender (other than to a Disqualified Institution; *provided* that the list of Disqualified Institutions may be provided) or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower; (h) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from the Administrative Agent or such Lender); or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuer, any Lender, or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent or Lender to be subject to a confidentiality restriction in respect thereof in favor of the Borrower or any Affiliate of the Borrower.

For purposes of this Section, “*Information*” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof, it being understood that all information received from Holdings, the Borrower or any Subsidiary after the ~~date hereof~~Effective Date, shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 12.18 Use of Name, Logo, etc.

Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers. The Administrative Agent and the Arrangers reserve the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

SECTION 12.19 USA PATRIOT Act Notice; Foreign Asset Control Regulations.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

Neither the advance of the Loans nor the use of the proceeds of any thereof will violate the Trading With the Enemy Act (50 U.S.C. § 1 et seq., as amended) (the "Trading With the Enemy Act") or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) (the "*Foreign Assets Control Regulations*") or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (a) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the "*Executive Order*"²²)) or the USA PATRIOT Act. Furthermore, none of the Loan Parties or their Affiliates (a) is or will become a "blocked person" as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (b) engages or will engage in any dealings or transactions, or be otherwise associated, with any such "blocked person" or in any manner violative of any such order.

SECTION 12.20 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Agents and the Arrangers, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal,

accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents, the Arrangers and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lender and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers nor any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 12.21 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this *Section 12.21*, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the applicable Issuer or the Swing Loan Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 12.22 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent, each Issuer and each Lender, regardless of any investigation made by the Administrative Agent, any Issuer or any Lender or on their behalf and notwithstanding that the Administrative Agent, any Issuer or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

SECTION 12.23 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of set-off, rights on account of any banker's lien or similar claim or other

rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent (which shall not be withheld in contravention of *Section 11.4*). The provision of this *Section 12.23* are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 12.24 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “*Maximum Rate*”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 12.25 Time of the Essence.

Time is of the essence in the Loan Documents.

SECTION 12.26 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

SECTION 12.27 Intercreditor Agreement.

Each of Holdings, the Borrower, the Agents, the Issuers and the Lenders acknowledge that the exercise of certain of the Administrative Agents’ rights and remedies hereunder may be subject to, and restricted by, the provisions of the Intercreditor Agreement. Except as specified herein, nothing contained in the Intercreditor Agreement shall be deemed to modify any of the provisions of this Agreement and the other Loan Documents, which, as among the Loan Parties, the Agents, the Issuers and the Lenders shall remain in full force and effect.

SECTION 12.28 Keepwell.

Each Loan Party that is a Qualified ECP Guarantor at the time the Guaranty or the grant of a security interest under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified

Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under the Guaranty voidable under applicable Laws relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this *Section 12.28* shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each Loan Party intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

SECTION 12.29 Acknowledgment and Consent to Bail-In of ~~EEA~~Affected Financial Institutions.

~~(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.~~

SECTION 12.30 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 12.31 ~~SECTION 12.30~~ Amendment and Restatement.

This Agreement is an amendment and restatement of the Original Credit Agreement, it being acknowledged and agreed that as of the Effective Date all obligations outstanding under or in connection with the Original Credit Agreement and any of the other Loan Documents (such obligations, collectively, the “*Existing Obligations*”) constitute obligations under this Agreement. This Agreement is in no way intended to constitute a novation of the Original Credit Agreement or the Existing Obligations. With respect to (i) any date or time period occurring and ending prior to the Effective Date, the Original Credit Agreement and the other Loan Documents shall govern the respective rights and obligations of any party or parties hereto also party thereto and shall for such purposes remain in full force and effect; and (ii) any date or time period occurring or ending on or after the Effective Date, the rights and obligations of the parties hereto shall be governed by this Agreement (including, without limitation, the exhibits and schedules hereto) and the other Loan Documents. From and after the Effective Date, any reference to the Original Credit

Agreement in any of the other Loan Documents executed or issued by and/or delivered to any one or more parties hereto pursuant to or in connection therewith shall be deemed to be a reference to this Agreement, and the provisions of this Agreement shall prevail in the event of any conflict or inconsistency between such provisions and those of the Original Credit Agreement.

extent consistent with the requirements applicable to pro forma financial statements prepared in accordance with Regulation S-X under the Securities Act.

Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation of Loans described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 1:00 p.m., on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is on the Closing Date, Section 4.01), the Administrative Agent shall make all funds so received

available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(c) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans may be converted to or continued as Eurodollar Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to a Refinancing Amendment or Extension, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to

any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.03 Prepayments.

(a) Optional.

(i) The Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the Loans pursuant to this Section 2.03(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares; *provided*, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Classes of Loans, such prepayment may be applied to any Class of Loans so long as the Maturity Date of such Class of Loans (or such Classes of Loans) precedes the Maturity Date of each other Class of Loans then outstanding or, in the event more than one Class of Loans shall have an identical Maturity Date, to such Classes on a pro rata basis.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.03(a)(i) if such prepayment would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iii) Voluntary prepayments of any Class of Loans permitted hereunder shall be applied to the remaining scheduled installments of principal thereof pursuant to Section 2.05 in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity).

(iv) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, the Borrower may prepay the outstanding Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon acquisition by the Borrower) (or Holdings or any of its Subsidiaries may purchase such outstanding Loans and immediately cancel them) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Loan Prepayment**”), in each case made in accordance with this Section 2.03(a)(iv); *provided* that no Company Party shall initiate any action under this Section 2.03(a)(iv) in order to make a Discounted Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Loan Prepayment as a result of a prepayment made by a Company Party on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Company Party was notified that no Lender was willing to accept any prepayment of any Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of any Company Party’s election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable tranche, the tranche or tranches of Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Loans at the Specified Discount and, if so (such accepting Lender, a **"Discount Prepayment Accepting Lender"**), the amount and the tranches of such Lender's Loans to be prepaid at such offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided that*, if the aggregate principal amount of Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the **"Specified Discount Proration"**). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided that* (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender

and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Loans (the “**Discount Range Prepayment Amount**”), the tranche or tranches of Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Loans with respect to each relevant tranche of Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender’s Loans (the “**Submitted Amount**”) such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a

discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a **“Participating Lender”**).

(3) If there is at least one Participating Lender, the relevant Company Party will prepay the respective outstanding Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the **“Identified Participating Lenders”**) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the **“Discount Range Proration”**). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Loans (the **“Solicited Discounted Prepayment Amount”**) and the tranche or tranches of Loans the Borrower is willing to prepay at a discount (it being

understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to such Lenders (the “**Solicited Discounted Prepayment Response Date**”). Each Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the “**Offered Discount**”) at which such Lender is willing to allow prepayment of its then outstanding Loan and the maximum aggregate principal amount and tranches of such Loans (the “**Offered Amount**”) such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party (the “**Acceptable Discount**”), if any. If the Company Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with the relevant Company Party and subject to rounding requirements of the Auction

Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.03(a)(iv)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Offered Amount (subject to any required pro rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided that* if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Loan Prepayment, the Company Parties and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment, the payment of customary fees and expenses from a Company Party in connection therewith.

(F) If any Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Loans on the Discounted Prepayment Effective Date. The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 a.m. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Loans on a pro rata basis across such installments. The Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Loans pursuant to this Section 2.03(a)(iv) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share. The aggregate principal amount of the tranches and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.03(a)(iv), the relevant Company Party shall make a representation to the Lenders that it does not possess material nonpublic information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information).

(G) To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.03(a)(iv), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.03(a)(iv), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.03(a)(iv) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.03(a)(iv) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(b) Mandatory.

(i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(v) of this Section 2.03, prepay an aggregate principal amount of Loans equal to (A) 50% (such percentage as it may be reduced as described below, the “**ECF Percentage**”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ended February 3, 2018) minus (B) the sum of (at the Borrower’s option) (i) all voluntary prepayments of Loans (including any Incremental Loans), pursuant to Section 2.03(a)(i), 2.03(a)(iv) (in an amount equal to the discounted amount actually paid in respect of the principal amount of such Loans), and the amount actually paid in cash pursuant to any assignment made in accordance with Section 10.07(h)(iv), in each case, during such fiscal year (or after the end of such fiscal year and prior to the time such mandatory prepayment is due, without duplication in any other Excess Cash Flow period) and (ii) all voluntary prepayments of loans under the ABL Facilities during such fiscal year (or after the end of such fiscal year and prior to the time such mandatory prepayment is due, without duplication in any other Excess Cash Flow period) to the extent accompanied by a corresponding permanent reduction in the commitments under the ABL Facilities, in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of long term Indebtedness (other than revolving borrowings); *provided that* (x) the ECF Percentage shall be 25% if the Senior Secured Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.50 to 1.0 and greater than 2.00 to 1.0 and (y) the ECF Percentage shall be 0% if the Senior Secured Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.00 to 1.0.

(ii) (A) If (x) the Borrower or any of its Restricted Subsidiaries Disposes of any property or assets (other than (X) any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d) (to the extent constituting a Disposition to the Borrower or a Restricted Subsidiary that is a Guarantor), (e), (g), (h), (i), (k), (l), (m), (n), (p), (s) and (t) and (Y) so long as the ABL Credit Agreement is in effect, any Disposition of Current Asset Collateral) or (y) any Casualty Event occurs (other than with respect to Current Asset Collateral so long as the ABL Facility or any Permitted Refinancing

thereof is in effect), which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds, the Borrower shall prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clause (b)(v) of this Section 2.03, an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds realized or received; *provided*, that if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase Permitted Pari Passu Secured Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari Passu Secured Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to this Section 2.03(b)(ii)(A) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof; *provided, further*, that, no prepayment shall be required pursuant to this Section 2.03(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.03(b)(ii) (B).

(A) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.03(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) twelve (12) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within twelve (12) months following receipt thereof, within the later of (1) twelve (12) months following receipt thereof and (2) one hundred and eighty (180) days of the date of such legally binding commitment; *provided* that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (iv) and (v) of this Section 2.03(b), an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Loans as set forth in this Section 2.03.

(iii) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) (A) Except as may otherwise be set forth in any Refinancing Amendment, Extension Offer or any Incremental Amendment, each prepayment of Loans pursuant to this Section 2.03(b) shall be applied ratably to each Class of Loans then outstanding (*provided*, that any prepayment of Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Loans selected by the Borrower), (B) with respect to each Class of Loans, each prepayment pursuant to clauses (i) through (iii) of this Section 2.03(b) shall be applied to the next eight (8) scheduled installments of principal thereof following the date of prepayment pursuant to Section 2.05 in direct order of maturity and to the remaining installments pro rata; and (C) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment; provided that the Borrower may apply the Net Cash Proceeds of any mandatory prepayment from asset sales or casualty events ratably to the payment of Loans under the Facility and any other indebtedness that is secured on a *pari passu* basis with the Loans under the Facility to the extent required by the terms of such other indebtedness.

(v) Notwithstanding any other provisions of this Section 2.03(b), (A) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.03(b)(ii) (a “**Foreign Disposition**”), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”), or Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.03(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.03(b) to the extent provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, *provided* that, in the case of this

clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.03(b) (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(vi) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Loans required to be made pursuant to clause (i) or (ii) of this Section 2.03(b) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender of the contents of the Borrower's prepayment notice and of such Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Loans required to be made pursuant to clause (i) or (ii) of this Section 2.03(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory prepayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Loans. Subject to any requirements of any other Indebtedness, any Declined Proceeds remaining after offering such Declined Proceeds to Lenders in accordance with the terms hereof may be retained by the Borrower.

Interest, Funding Losses, Etc. All prepayments under this Section 2.03 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.03, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.03 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.03 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative

Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.03. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.03.

SECTION 2.04 Termination or Reduction of Commitments.

(a) Optional. The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction and (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof or, if less, the entire amount thereof. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory. The Commitments shall be automatically and permanently reduced to \$0 upon the making of the Initial Loans pursuant to Section 2.01.

SECTION 2.05 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each January, April, July and October, commencing with the last Business Day of January, 2017, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.03) and (b) on the Maturity Date for the Initial Loans, the aggregate principal amount of all Initial Loans outstanding on such date.

SECTION 2.06 Interest.

(a) Subject to the provisions of Section 2.06(b), (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period plus the Applicable Rate and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after

judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.07 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.08 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.09 Evidence of Indebtedness.

(a) The Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records.

Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.09(a), and by each Lender in its account or accounts pursuant to Section 2.09(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account

or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.10 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City standard time), shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(c) Unless the Borrower has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder for the account of any Lender, that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to such Lender. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then such Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.11 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain payment in respect of any principal of or interest on account of the Loans made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment of principal of or interest on such Loans, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.11 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.11 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.12 Incremental Borrowings.

(a) The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request one or more additional tranches of Loans (the “**Incremental Loans**”); *provided* that, subject to the Limited Condition Acquisition provisions, at the time when any such Incremental Loan is made (and after giving effect thereto), no Default or Event of Default (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 8.01(a) or 8.01(f) as of the Transaction Agreement Date) shall exist. Each tranche of Incremental Loans shall be in an aggregate principal amount that is not less than \$25,000,000 (*provided* that such amount may be less than \$25,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence). Notwithstanding anything to the contrary herein, the aggregate amount of the Incremental Loans, when aggregated with (A) the aggregate amount of Permitted Pari Passu Secured Debt (that is not designated as Credit Agreement Refinancing Indebtedness) and (B) the aggregate principal amount of Permitted Ratio Debt incurred in reliance on clauses (x) or (y) of the definition of Maximum Incremental Amount, shall not exceed the Maximum Incremental Amount. (a) The Incremental Loans shall rank *pari passu* in right of payment and of security with the Loans, (b) the Incremental Loans shall not mature earlier than the Original Loan Maturity Date, (c) the Weighted Average Life to Maturity of any Incremental Loans shall be no shorter than that of the then-existing Loans, (d) subject to clauses (b) and (c) above, the amortization schedule applicable to any Incremental Loans shall be determined by the Borrower and the lenders thereunder, (e) the interest rate margin applicable to any Incremental Loans will be determined by the Borrower and the lenders providing such Incremental Loans, *provided* that, in the event that the All-In Yield applicable to any Incremental Loans exceeds the All-In Yield of any Class of Loans existing at such time by more than 50 basis points, then the interest rate margins for each such Class of Loans shall be increased to the extent necessary so that the All-In Yield of such Loans is equal to the All-In Yield of such Incremental Loans minus 50 basis points, (f) the Specified Representations shall be accurate in all material respects before and after the effectiveness of any Incremental Amendment referred to below and (g) except as otherwise required or permitted in clauses (a) through (f) above, all other terms of such Incremental Loans, if not consistent with the terms of the existing Loans, shall either be reasonably satisfactory to the Administrative Agent or not more favorable, taken as a whole, to the lenders providing such Incremental Loans than the terms of the existing Loans (other than with respect to any terms and conditions applicable after the maturity date of the Loans); *provided* that no such Incremental Loans shall have financial covenants and more restrictive covenants than those contained in this Agreement unless (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall not require the consent of any Lender). Any Incremental Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Incremental Amendment. Each notice from the Borrower pursuant to this Section shall set forth the requested amount and proposed terms of the relevant Incremental Loans. Incremental Loans may be made by any existing Lender (it being understood that no existing Lender will have an obligation to make a portion of any Incremental Loan) or by any Additional Lender on terms permitted in this Section 2.12 and otherwise on terms reasonably acceptable to the

Administrative Agent. Commitments in respect of Incremental Loans shall become Commitments under this Agreement pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.12. The effectiveness of (and, in the case of any Incremental Amendment for an Incremental Loan, the Borrowing under) any Incremental Amendment shall be subject to the satisfaction on the date thereof (each, an “**Incremental Facility Closing Date**”) of each of the conditions described in this Section 2.12(a) and such other conditions as the parties thereto shall agree. The Borrower shall use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(b) This Section 2.12 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

SECTION 2.13 Refinancing Amendments. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Other Loans to refinance all or any portion of the Loans then outstanding under this Agreement which will be made pursuant to Other Term Commitments in each case pursuant to a Refinancing Amendment; *provided* that such Other Loans (i) will rank *pari passu* in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing, premiums and optional prepayment or redemption terms as may be agreed by the Borrower and the Lenders thereof, (iii) will have a final maturity date no earlier than, and will have a Weighted Average Life to Maturity equal to or greater than, the Loans being refinanced, and (iv) will have terms and conditions that are substantially identical to, or (taken as a whole) are no more favorable to the lenders or holders providing such Other Term Commitments and Other Loans than those applicable to the Loans being refinanced unless (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall not require the consent of any Lender). Any Other Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Refinancing Amendment. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent). Each Class of Other Term Commitments and Other Loans incurred under this Section 2.13 shall be in an aggregate principal amount that is not less than \$100,000,000. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed

amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Term Commitments and Other Loans incurred pursuant thereto (including any amendments necessary to treat the Other Loans and/or Other Term Commitments as Loans and Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.13. This Section 2.13 shall supersede any provisions in Section 2.11 or 10.01 to the contrary. No Lender shall be under any obligation to provide any Other Term Commitment unless such Lender executes a Refinancing Amendment.

SECTION 2.14 Extensions of Loans.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders of Loans with a like Maturity Date on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans with the same Maturity Date) and on the same terms to each such Lender, the Borrower may from time to time with the consent of any Lender that shall have accepted such offer to extend the maturity date of any Loans and otherwise modify the terms of such Loans of such Lender pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Loans) (each, an “**Extension**,” and each group of Loans as so extended, as well as the original Loans not so extended, being a “**tranche**”; any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied: (i) no Default shall exist at the time the notice in respect of an Extension Offer is delivered to the Lenders, and no Default shall exist immediately prior to or after giving effect to the effectiveness of any Extended Loans, (ii) except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Loans of any Lender (an “**Extending Lender**”) extended pursuant to any Extension (“**Extended Loans**”) shall have the same terms as the tranche of Loans subject to such Extension Offer unless, with respect to any covenants and defaults that are, taken as a whole, more restrictive than the terms of this Agreement (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender), (iii) the final maturity date of any Extended Loans shall be no earlier than the then Latest Maturity Date at the time of extension and the amortization schedule applicable to Loans pursuant to Section 2.05 for periods prior to the Original Loan Maturity Date may not be increased, (iv) the Weighted Average Life to Maturity of any Extended Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Loans extended thereby, (v) any Extended Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Extension Offer, (vi) if the aggregate principal amount of Loans (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loans offered to be extended by

the Borrower pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (vii) all documentation in respect of such Extension shall be consistent with the foregoing, (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix) the interest rate margin applicable to any Extended Loans will be determined by the Borrower and the lenders providing such Extended Loans.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.14, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.03 and (ii) any Extension Offer is required to be in any minimum amount of \$25,000,000, *provided* that the Borrower may at its election specify as a condition (a “**Minimum Extension Condition**”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and may be waived by the Borrower) of Loans of any or all applicable tranches be tendered.

(c) The Lenders hereby irrevocably authorize the Administrative Agent and the Collateral Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.14.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days’ (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.14.

(e) This Section 2.14 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

SECTION 2.15 Loan Repricing Protection. In the event that, on or prior to the date that is one year after the Closing Date, the Borrower (x) prepays, refinances, substitutes or replaces any Initial Loans in connection with a Repricing Transaction (including, for avoidance of doubt, any prepayment made pursuant to Section 2.03(b)(iii) that constitutes a Repricing Transaction), or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the account of each of the applicable Lenders (including, in the case of any amendment, any Non-Consenting Lender that is required to assign its Loans pursuant to Section 3.07 in connection therewith), (I) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Initial Loans of such Lender so prepaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the applicable Initial Loans of such Lender outstanding immediately prior to such amendment. Such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

ARTICLE III
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

SECTION 3.01 Taxes.

(a) All sums payable by any Loan Party hereunder or under any other Loan Document to any Lender or Agent shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Taxes.

(b) If any Loan Party or any Agent is required by law to make any deduction or withholding on account of any Non-Excluded Tax or Other Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents: (i) the applicable Loan Party (if it is required to make the deduction or withholding) shall notify the applicable Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it; (ii) the applicable Loan Party or Agent, as applicable, shall make such deduction or withholding and pay to the relevant Governmental Authority, in accordance with applicable law, any such Non-Excluded Tax or Other Tax before the date on which penalties attach thereto; (iii) the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding (including any deductions or withholdings attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable), receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and (iv) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (ii) above to pay, the Loan Party making such payments (if it is required to make the deduction or withholding) shall deliver to the applicable Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(c) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(c)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so.

Without limiting the foregoing:

(1) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and

duly signed original copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Non-US Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(B) two properly completed and duly signed original copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Non-US Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit I (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Non-US Lender is not the beneficial owner (for example, where the Non-US Lender is a partnership or a participating Lender), two properly completed duly signed original copies of IRS Form W-8IMY (or any successor forms) of the Non-US Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(c) if such beneficial owner were a Lender, as applicable (provided that, if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Non-US Lender on behalf of such beneficial owner), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding tax on any payments to such Lender under the Loan Documents.

(3) If a payment made to a Lender under any Loan Document may be subject to U.S. federal withholding tax imposed by Sections 1471 through 1474 of the Code (including any successor provisions), such Lender shall deliver to Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation

reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under Sections 1471 through 1474 of the Code and to determine whether such Lender has or has not complied with such Lender's obligations under such Sections and, if necessary, to determine the amount to deduct and withhold from such payment.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) In addition to the payments by a Loan Party required by Section 3.01(b), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(e) The Borrower shall indemnify each Lender and Agent (each a "**Tax Indemnatee**"), within 20 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee that is imposed on or in respect of any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Agent on its own behalf or on behalf of another Tax Indemnatee, shall be conclusive absent manifest error.

(f) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Non-Excluded Taxes or Other Taxes in respect of which it has received additional payments under this Section 3.01, then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee if the Tax Indemnatee is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) In the event that a Loan Party makes an indemnification payment to a Tax Indemnatee with respect to Non-Excluded Taxes or Other Taxes pursuant to subsection (e) of this Section 3.01 or a Loan Party is required to repay to a Tax Indemnatee an amount in respect of a refund of any Non-Excluded Taxes or Other Taxes previously paid over to such Loan Party pursuant to subsection (f) of this Section 3.01, such Tax Indemnatee shall reasonably cooperate with all reasonable requests of such Loan Party, at the sole expense of such Loan Party, if (i) in the reasonable judgment of the Tax Indemnatee such cooperation shall not subject such Tax Indemnatee, as the case may be, to any unreimbursed third party cost or expense or otherwise be materially disadvantageous to such Tax Indemnatee and (ii) there is a reasonable basis for such

Loan Party to contest with the applicable Governmental Authority the imposition of such Non-Excluded Taxes or Other Taxes or the repayment of such refund. Any resulting refund shall be governed by Section 3.01(f). This subsection shall not be construed to require a Tax Indemnitor to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

SECTION 3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders (or, in the case of clause (b), the Administrative Agent) reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan,

(a) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or

(b) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders except in the case of clause (b) above) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it (except for any Excluded Tax or any Non-Excluded Taxes or Other Taxes indemnified or otherwise paid under Section 3.01); or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in this clause (a);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's

policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07;

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or

any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(b) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (i) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (iii) any Lender is a NonConsenting Lender or (iv) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees or, subject to Sections 10.07(h) and (i), Affiliated Lenders, that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee or Affiliated Lender, as applicable, shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(f) such assignment does not conflict with applicable Laws.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a **"Non-Consenting Lender."**

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

ARTICLE IV CONDITIONS PRECEDENT TO BORROWINGS

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the Commitments of each Lender shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

ARTICLE IX ADMINISTRATIVE AGENT AND OTHER AGENTS

SECTION 9.01 Appointment and Authorization of the Administrative Agent

(a) Each Lender hereby irrevocably appoints Bank of America, N.A. to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such

powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09 and 9.11) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the ABL Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Person serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.03 Exculpatory Provisions. Neither the Administrative Agent nor any other Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent):

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

SECTION 9.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be

genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

SECTION 9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Agent-Related Persons of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 9.06 Non-Reliance on Administrative Agent and Other Lenders; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own

decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

SECTION 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided, further*, that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 9.08 No Other Duties; Other Agents, Arrangers, Managers, Etc. Anything herein to the contrary notwithstanding, none of the Joint Bookrunners, Arrangers or

other Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder and such Persons shall have the benefit of this Article IX. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrower or any of their respective Subsidiaries. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 9.09 Resignation of Administrative Agent. The Administrative Agent or Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent of the Borrower shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or Collateral Agent, as applicable, shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor of such Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related

Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

SECTION 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The holders of the Obligations hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the holders thereof shall be entitled to be, and shall be, credit bid on a ratable basis (with

Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Lender or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Lender or any acquisition vehicle to take any further action.

SECTION 9.11 Collateral and Guaranty Matters. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent agrees that it will:

(a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations and liabilities under Secured Hedge Agreements as to which arrangements satisfactory to the applicable Hedge Bank shall have been made, (y) Cash Management Obligations as to which arrangements satisfactory to the applicable Cash Management Bank shall have been made and (z) contingent indemnification obligations not yet accrued and payable), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than Holdings, the Borrower or any of its Domestic Subsidiaries that are Guarantors, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i);

(c) release any Guarantor from its obligations under the Guaranty if (i) in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder or (ii) in the case of Holdings, as a result of a transaction permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of the ABL Facilities, any Permitted Pari Passu Secured Debt, any Credit Agreement Refinancing Indebtedness, the Senior Notes or any Junior Financing; and

(d) if any Guarantor shall cease to be a Material Domestic Subsidiary (as certified in writing by a Responsible Officer of the Borrower), and the Borrower notifies the Administrative Agent in writing that it wishes such Guarantor to be released from its obligations under the Guaranty and provides the Administrative Agent and the Collateral Agent such certifications or documents as either such Agent shall reasonably request, (i) release such Subsidiary from its obligations under the Guaranty and (ii) release any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary; *provided* that no such release shall occur if such Subsidiary continues to be a guarantor in respect of the ABL Facilities, any Permitted Pari Passu Secured Debt, any Credit Agreement Refinancing Indebtedness, the Senior Notes or any Junior Financing.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

SECTION 9.12 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a

“Supplemental Administrative Agent” and collectively as “Supplemental Administrative Agents”).

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 9.13 Intercreditor Agreements. The Administrative Agent and the Collateral Agent are authorized to enter into the ABL Intercreditor Agreement, any First Lien Intercreditor Agreement and any Second Lien Intercreditor Agreement and the parties hereto acknowledge that the ABL Intercreditor Agreement and any such First Lien Intercreditor Agreement or Second Lien Intercreditor Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Current Asset Collateral securing the Obligations on the terms set forth in the ABL Intercreditor Agreement and to the provisions of the First Lien Intercreditor Agreement with respect to the parity nature of the Liens on the Collateral, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement and any such First Lien Intercreditor Agreement or Second Lien Intercreditor Agreement and (c) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the ABL Intercreditor Agreement and, if applicable, any such First Lien Intercreditor Agreement or Second Lien Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

SECTION 9.14 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral

Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.15 Withholding Taxes. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.15. The agreements in this Section 9.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X MISCELLANEOUS

SECTION 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition

precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.05 or 2.06 without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of "Required Lenders," "Required Facility Lenders" or "Pro Rata Share" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (ii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification and (iii) the consent of Required Facility Lenders shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under such Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities.

Notwithstanding the foregoing,

(g) No Lender consent is required to effect any amendment or supplement to the ABL Intercreditor Agreement, any First Lien Intercreditor Agreement or any Second Lien Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Pari Passu Secured Debt or Permitted Junior Secured Refinancing Debt (or a Senior Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of the ABL Intercreditor Agreement, such First Lien Intercreditor Agreement or such Second Lien

Intercreditor Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by the ABL Intercreditor Agreement (or the comparable provisions, if any, of any First Lien Intercreditor Agreement or any Second Lien Intercreditor Agreement); *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable; and

(h) This Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Loans of any Class ("**Refinanced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans, (b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Refinanced Loans (or similar interest rate spread applicable to such Refinanced Loans) immediately prior to such refinancing, (c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Refinanced Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Loans than, those applicable to such Refinanced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

SECTION 10.02 Notices and Other Communications; Facsimile Copies.

(a) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower or the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE," THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE

ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the “**Agent Parties**”) have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) Change of Address. Each of Holdings, the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities Laws.

(f) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the

Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, each Co-Syndication Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Cahill Gordon & Reindel LLP and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of the Lenders taken as a whole, and (b) to pay or reimburse the Administrative Agent and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if reasonably necessary, one local counsel in any relevant material jurisdiction and, in the event of any conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail and such backup material as the Borrower may reasonably request. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion. The Borrower and each other Loan Party hereby acknowledge that the Administrative Agent and/or any Lender may receive a benefit, including without limitation, a discount, credit or other accommodation, from any of such counsel based on the fees such counsel may receive on account of their relationship with the Administrative Agent and/or such Lender, including, without limitation, fees paid pursuant to this Agreement or any other Loan Document.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Lender, the Arrangers and their respective Affiliates, directors, officers, employees, agents, partners, trustees or advisors and other representatives (collectively the “Indemnitees”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and

disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnites taken as a whole and, if reasonably necessary, a single local counsel for all Indemnites taken as a whole in each relevant jurisdiction that is material to the interest of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnites similarly situated taken as a whole) (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or the use or proposed use of the proceeds therefrom, or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any affiliate, director, officer, employee or agent of such Indemnitee, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any Related Indemnified Person as determined by a final, nonappealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnites other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under the Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnites or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All

amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, etc., arising from a non-Tax claim.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section, or (iv) to an SPC in accordance with the provisions of subsection (g) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Agent-Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1,000,000 unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a) or, solely with respect to the Borrower or any Guarantor, Section 8.01(f) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required unless (1) an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f), has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is by the Arrangers or their Affiliates prior to the completion of the primary syndication (as determined by the Administrative Agent) or the 90th day after the Closing Date, whichever shall occur first; *provided* that if the Borrower does not respond to a request for an assignment within ten (10) Business Days after receiving written notice of a request for such consent, the Borrower shall be deemed to have consented to such assignment; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. All assignments shall be by novation.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower's Subsidiaries except as permitted under Section 2.03(a)(iv), (B) subject to subsection (h) below, any of the Borrower's Affiliates, (C) to a natural person or an investment vehicle of a natural person or (D) any Disqualified Institution to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.09 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, an investment vehicle of a natural person or, to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform, any Disqualified Institution or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided that* (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided that* such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled (through the applicable Lender) to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections (including the limitation in the definition of "Excluded Taxes"), and Sections 3.06(a) and 3.07, as if the Participant were a Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided that* such Participant agrees to be subject to Section 2.11 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld, conditioned or delayed). Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). A Lender shall not be obligated to disclose the Participant Register to any Person except to the extent such disclosure is necessary to establish that any Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided that* no such pledge or assignment shall release such Lender from any of its

obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections (including the limitation in the definition of “Excluded Taxes”), and Sections 3.06(a) and 3.07, as if the SPC were a Lender); provided, that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Sections 3.01, 3.04 or 3.05) unless such increase or change results from a Change in Law after the grant was made. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the Laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to a Person who is or will become, after such assignment, the Borrower or an Affiliated Lender through (x) Dutch auctions open to all Lenders in accordance with procedures of the type described in Section 2.03(a)(iv) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in

respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) if the Borrower or an Affiliated Lender (A) purchases any Loans pursuant to this clause (h) or (B) sells any Loan hereunder, then either (I) the Borrower or such Affiliated Lender shall represent and warrant to the seller or the buyer, as applicable, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or (II) each of the seller and buyer shall render to each other a customary “big boy” disclaimer letter;

(iii) the aggregate principal amount of Loans held at any one time by Affiliated Lenders (measured immediately after giving effect to any such acquisition of Loans) may not exceed 25% of the principal amount of all Loans at such time outstanding; and

(iv) in the case of an assignment to the Borrower (A) no Event of Default shall have occurred and be continuing at the time of such assignment and (B) the Loans assigned to the Borrower shall be automatically and permanently cancelled upon the closing of such assignment.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(A) all Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders have taken any actions; and

(B) all Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the

Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

SECTION 10.08 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable prior to any such disclosure by such Person unless such notification is prohibited by law, rule or regulation or except in connection with any request as part of a regulatory examination, (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person unless such notification is prohibited by law, rule or regulation or except in connection with any request as part of a regulatory examination, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender (other than to a Disqualified Institution; *provided* that the list of Disqualified Institutions may be provided) or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from the Administrative Agent or such Lender) or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender, or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent or Lender to be subject to a confidentiality restriction in respect thereof in favor of the Borrower or any Affiliate of the Borrower.

For purposes of this Section, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the

Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 10.09 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.12 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

SECTION 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

SECTION 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. (c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 10.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

SECTION 10.20 USA PATRIOT Act. The Pari Term Loan Debt Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document of such debt being Refinanced) of, any Pari Term Loan Debt Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Possessory Collateral shall be delivered to the Term Loan Agent and the Term Loan Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Pari Term Loan Debt Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time the Term Loan Agent is not the Applicable Collateral Agent, the Term Loan Agent shall, at the request of the Additional Pari Term Loan Debt Agent, promptly deliver all Possessory Collateral to the Additional Pari Term Loan Debt Agent together with any necessary endorsements (or otherwise allow the Additional Pari Term Loan Debt Agent to obtain control of such Possessory Collateral). The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith.

(b) The Applicable Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Pari Term Loan Debt Documents, in each case, subject to the terms and conditions of this Section 2.09. In the event that any Pari Term Loan Debt Secured Party other than the Applicable Collateral Agent receives any Possessory Collateral, then such Pari Term Loan Debt Secured Party shall promptly deliver such Possessory Collateral (including any Proceeds therefrom), together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, to the Applicable Collateral Agent.

(c) The duties or responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party for purposes of perfecting the Lien held by such Pari Term Loan Debt Secured Parties thereon.

(d) In furtherance of the foregoing, each Grantor hereby grants a security interest in the Shared Collateral to each Collateral Agent that controls Shared Collateral for the benefit of all Pari Term Loan Debt Secured Parties which have been granted a Lien on the Shared Collateral controlled by such Collateral Agent.

SECTION 2.10 Amendments to Security Documents.

(a) Without the prior written consent of the Term Loan Agent, the Additional Pari Term Loan Debt Agent on behalf of itself and each other Additional Pari Term Loan Secured Party agrees that no Additional Pari Term Loan Debt Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional Pari Term Loan Debt Security Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Additional Pari Term Loan Debt Agent in its capacity as Collateral Agent, the Term Loan Agent agrees that no Term Loan Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Term Loan Collateral Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Borrower.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Pari Term Loan Debt Obligations of any Series, or the Shared Collateral subject to any Lien securing the Pari Term Loan Debt Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Pari Term Loan Debt Secured Party or any other Person as a result of such determination.

The Applicable Collateral AgentARTICLE 4.01 Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01.

(b) In furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Pari Term Loan Debt Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Pari Term Loan Debt Documents, as applicable, pursuant to which the Applicable Collateral Agent is the collateral agent for such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the Pari Term Loan Debt Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other Pari Term Loan Debt Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Pari Term Loan Debt Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Pari Term Loan Debt Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the Pari Term Loan Debt Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of Pari Term Loan Debt Obligations or any other Pari Term Loan Debt Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or the Pari Term Loan Debt Secured Parties take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Pari Term Loan Debt Obligations from any account debtor, guarantor or any other party) in accordance with the Pari Term Loan Debt Documents or any other agreement related thereto or to the collection of the Pari Term Loan Debt Obligations or the valuation, use, protection or release of any security for the Pari Term Loan Debt Obligations, (ii) any election by any Applicable Authorized

Representative or any holders of Pari Term Loan Debt Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, the Borrower or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any Pari Term Loan Debt Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of Pari Term Loan Debt Obligations for which such Collateral constitutes Shared Collateral.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 5.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(c) Notwithstanding the foregoing, without the consent of any Pari Term Loan Debt Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 and upon such execution and delivery, such Authorized Representative and the Additional Pari Term Loan Debt Secured Parties and Additional Pari Term Loan Debt Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the Additional Pari Term Loan Security Documents applicable thereto.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or Pari Term Loan Debt Secured Party, the Collateral Agents may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Pari Term Loan Debt Obligations in compliance with the Term Loan Agreement and the other Secured Credit Documents.

SECTION 5.03 Parties in Interest. SECTION 5.06 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11 Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the Pari Term Loan Debt Documents or any of the other Secured Credit Documents, the provisions of this Agreement shall control.

SECTION 5.12 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Pari Term Loan Debt Secured Parties in relation to one another. None of the Borrower, any other Grantor or any creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Section 2.04, 2.05, 2.08, 2.09 or Article V) is intended to or will amend, waive or otherwise modify the provisions of the Term Loan Agreement or any Additional Pari Term Loan Debt Documents), and none of the Borrower or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09, 2.10 and Article V). Any such Additional Senior Class Debt may be secured by a Lien and may be Guaranteed by the Grantors on a senior basis, in each case under and pursuant to

the Additional Pari Term Loan Debt Documents, if and subject to the condition that the Authorized Representative of any such Additional Senior Class Debt (each “an “Additional Senior Class Debt Representative””), acting on behalf of the holders of such Additional Senior Class Debt (such Authorized Representative and holders in respect of any Additional Senior Class Debt being referred to as the “Additional Senior Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph and becomes a party to the ABL Intercreditor Agreement in accordance with the terms thereunder.

In order for an Additional Senior Class Debt Representative to become a party to this Agreement,

(i) such Additional Senior Class Debt Representative, each Collateral Agent, each Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by such Collateral Agent and Additional Senior Class Debt Representative, and, to the extent such changes increase the obligations or reduce the rights of a Grantor, by such Grantor) pursuant to which such Additional Senior Class Debt Representative becomes an Authorized Representative hereunder, and the Additional Senior Class Debt in respect of which such Additional Senior Class Debt Representative is the Authorized Representative and the related Additional Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have (x) delivered to each Collateral Agent true and complete copies of each of the Additional Pari Term Loan Debt Documents relating to such Additional Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower, and (y) identified in a certificate of an authorized officer the obligations to be designated as Additional Pari Term Loan Debt Obligations and the initial aggregate principal amount or face amount thereof;

(iii) all filings, recordations and/or amendments or supplements to the Pari Term Loan Debt Documents necessary or desirable in the reasonable judgment of the Additional First Lien Collateral Agent to confirm and perfect the Liens securing the relevant obligations relating to such Additional Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional First Lien Collateral Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional First Lien Collateral Agent); and

Each Authorized Representative acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Annex II by an Additional Senior Class Debt Representative and each Grantor in accordance with this Section 5.13, the Additional Pari Term Loan Debt Agent will continue to act in its capacity as Additional Pari Term Loan Debt Agent in respect of the then existing Authorized Representatives (other than the Administrative Agent) and such additional Authorized Representative.

SECTION 5.14 Agent Capacities. SECTION 5.15 Integration. This Agreement together with the other Secured Credit Documents and the Pari Term Loan Debt Documents represents the agreement of each of the Grantors and the Pari Term Loan Debt Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Term Loan Agent or any other Pari Term Loan Debt Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the Pari Term Loan Debt Documents.

Should any Second Priority Representative or any Second Priority Debt Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Borrower or any other Grantor) may obtain relief against such Second Priority Representative or such Second Priority Debt Party by injunction, specific performance or other appropriate equitable relief. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Facility, hereby (i) agrees that the Senior Secured Parties' damages from the actions of the Second Party Representatives or any Second Priority Debt Party may at that time be difficult to ascertain and may be

irreparable and waives any defense that the Borrower, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Senior Representative or any other Senior Secured Party.

ARTICLE IV

Upon the Discharge of Senior Obligations, each applicable Senior Representative shall deliver promptly to the Designated Second Priority Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Second Priority Representative to the Second Priority Debt Obligations in such order as specified in the relevant Second Priority Debt Documents.

The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Second Priority Representatives or any such Second Priority Debt Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of the Borrower), the Liens granted to the Second Priority Representatives and the Second Priority Debt Parties upon such Shared Collateral to

secure Second Priority Debt Obligations shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Second Priority Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Priority Debt Parties and the Second Priority Representatives) and any necessary or proper instruments of termination or release prepared by the Borrower or any other Grantor, such Second Priority Representative will promptly execute, deliver or acknowledge, at the Borrower's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Second Priority Representative, for itself and on behalf of the Second Priority Debt Parties under its Second Priority Debt Facility, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Debt Documents.

(b) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby irrevocably constitutes and appoints the Designated Senior Representative and any officer or agent of the Designated Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Representative or such Second Priority Debt Party or in the Designated Senior Representative's own name, from time to time in the Designated Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents, provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Second Priority Representatives or the Second Priority Debt Parties to receive proceeds in connection with the Second Priority Debt Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral to, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a

bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the Designated Senior Representative and any Second Priority Representative or Second Priority Debt Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Second Priority Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor, (b) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (c) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) second, after the occurrence of the Discharge of Senior Obligations, to the Designated Second Priority Representative for the benefit of the Second Priority Debt Parties pursuant to the terms of the applicable Second Priority Debt Documents and (iii) third, if no Second Priority Debt Obligations or Senior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Representative or any Second Priority Debt Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Second Priority Collateral Documents.

(a) Except to the extent not prohibited by any Senior Debt Document, no Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Borrower agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that each Second Priority Collateral Document under its Second Priority Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

“Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [Second Priority Representative] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Second Lien Intercreditor Agreement referred to below), including liens and security interests granted to Bank of America, N.A., as administrative agent, pursuant to or in connection with the Credit Agreement, dated as of October 21, 2016 (as amended, restated, amended and restated, extended, renewed, replaced, refinanced, supplemented or otherwise modified in writing from time to time), among Jo-Ann Stores, LLC, an Ohio limited liability company (the “Borrower”), Needle Holdings LLC, a Delaware limited liability company (“Holdings”), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, and (ii) the exercise of any right or remedy by the [Second Priority Representative] hereunder is subject to the limitations and provisions of the Second Lien Intercreditor Agreement dated as of [], 20[] (as amended, restated, supplemented or otherwise modified from time to time, the “Second Lien Intercreditor Agreement”), among Bank of America, N.A., as Administrative Agent, [] and its subsidiaries and affiliated entities party thereto. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the Second Lien Intercreditor Agreement shall govern.”

(b) In the event that each applicable Senior Representative and/or the Senior Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Senior Representatives, the Senior Secured Parties, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Collateral) in a manner that is applicable to all Senior Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Debt Party and without any action by any Second Priority Representative, the Borrower or any other Grantor; provided, however, that written notice of such amendment, waiver or consent shall have been given to each Second Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

SECTION 5.04. Rights as Unsecured Creditors. The Second Priority Representatives and the Second Priority Debt Parties may exercise rights and remedies as unsecured creditors against the Borrower and any other Grantor in accordance with the terms of the Second Priority Debt Documents and applicable law so long as such rights and remedies do not violate or are not otherwise inconsistent with any other provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Debt Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Debt Party of rights or remedies as a secured creditor in respect of Shared Collateral. In the event any Second Priority Representative or any Second Priority Debt Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall at any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the applicable Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Representatives and the Senior Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) The Senior Representatives and the Senior Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Debt Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Senior Representatives under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(e) The Senior Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Debt Party, and each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives and releases the Senior Representatives from all claims and liabilities arising pursuant to the Senior Representatives' roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each applicable Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Party Representative is entitled to approve any awards granted in such proceeding. The Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by any such Person as a result of its own willful misconduct, gross negligence or bad faith. The Senior Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Debt Party in contravention of this Agreement.

(g) None of the Senior Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrower or any Subsidiary to any Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations is Deemed Not to Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Borrower or any Subsidiary consummates any Refinancing or incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the

agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to such Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing Issues. Until the Discharge of Senior Obligations has occurred, if the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative or any Senior Secured Party shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("DIP Financing"), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will raise no objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) to any "carve-out" for professional and United States Trustee fees agreed to by the Senior Representatives, and (z) to any Liens granted as adequate protection for the benefit of the Senior Secured Parties. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, further agrees that it will raise no (a) objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by any Senior Representative or any other Senior Secured Party, (b) objection to (and will not otherwise contest) any lawful exercise by any Senior Secured Party of the right to credit bid

Senior Obligations at any sale in foreclosure of Senior Collateral, including pursuant to Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, (c) objection to (and will not otherwise contest) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) objection to (and will not otherwise contest or oppose) any order relating to a sale or other disposition of assets of any Grantor (including pursuant to Section 363 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law) for which any Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that notice received two Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by any Senior Representative or any Senior Secured Parties for adequate protection, (b) any objection by any Senior Representative or any Senior Secured Parties to any motion, relief, action or proceeding based on any Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment of interest, fees, expenses or other amounts of any Senior Representative or any other Senior Secured Party under Section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law and the Senior Representatives and the other Senior Secured Parties do not object to the adequate protection being provided to the Senior Secured Parties, then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a Lien on such additional collateral, which Lien is subordinated to the Liens securing and providing adequate protection for all Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of a Lien on additional collateral,

then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted a senior Lien on such additional collateral as security and adequate protection for the Senior Obligations and any such DIP Financing and that any Lien on such additional collateral securing or providing adequate protection for the Second Priority Debt Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was avoided as or otherwise declared to be fraudulent or preferential in any respect or for any other reason, any amount (a “Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Debt Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral

is sufficient (for this purpose ignoring all claims held by the Second Priority Debt Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, and expenses and other claims, all amounts owing in respect of post-petition interest, fees, and expenses (whether or not allowed or allowable) before any distribution is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Debt Parties.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Debt Party, including the seeking by any Second Priority Debt Party of adequate protection or the asserting by any Second Priority Debt Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Debt Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Representative, provided that if requested by any Senior Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Senior Representatives (acting unanimously), including any rights to payments in respect of such rights.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities; Plan Voting.

(a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Second Priority Debt Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization or similar dispositive restructuring plan that is inconsistent with the priorities or other provisions of this Agreement, other than with the prior written consent of the Designated Senior Representative or to the extent any such plan is proposed or supported by the number of Senior Secured Parties required under Section 1126(c) of the Bankruptcy Code.

SECTION 6.11. Section 1111(b) of the Bankruptcy Code. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not object to, oppose, support any objection, or take any other action to impede, the right of any Senior Secured Party to make an election under Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, waives any claim it may hereafter have against any senior claimholder arising out of the election by any Senior Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Debt Parties have, independently and without reliance on any Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Debt Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Representative nor any other Senior Secured Party shall have any duty to any Second Priority Representative or Second Priority Debt Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrower or any Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Debt Document or any Second Priority Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Term Loan Agreement or any other Senior Debt Document or of the terms of any Second Priority Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Borrower or any other Grantor in respect of the Senior Obligations or (ii) any Second Priority Representative or Second Priority Debt Party in respect of this Agreement.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Conflicts. Subject to Section 8.18, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Secured Collateral Agent, the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of the First Lien Intercreditor Agreement and in the event of any conflict between the First Lien Intercreditor Agreement and this Agreement, the provisions of the First Lien Intercreditor Agreement shall control, subject to Section 8.23 hereto.

SECTION 8.02. Continuing Nature of this Agreement; Severability. Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Debt Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of the Borrower or any Grantor, shall require the consent of the Borrower. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Secured Parties and the Second Priority Debt Parties and their respective successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. Information Concerning the Financial Condition of the Borrower and the Subsidiaries. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Representative, any Senior Secured Party, any Second Priority Representative or any Second Priority Debt Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. Subrogation. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, assents to any such extension

or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. Additional Grantors. The Borrower agrees that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. Dealings with Grantors. Upon any application or demand by the Borrower or any Grantor to any Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), the Borrower or such Grantor, as appropriate, shall furnish to such Representative a certificate of an appropriate officer (an "Officer's Certificate") stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 8.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then extant Senior Debt Documents and the Second Priority Debt Documents, the Borrower may incur or issue and sell one or more series or classes of Second Priority Debt and one or more series or classes of Additional Senior Debt. Any such additional class or series of Second Priority Debt (the "Second Priority Class Debt") may be secured by a second priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a "Second Priority Class Debt Representative"), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the "Second Priority Class Debt Parties"), becomes a party to this Agreement by satisfying conditions (i) through (vi), as applicable, of the immediately succeeding paragraph. Any such additional class or series of Senior Facilities (the "Senior Class Debt"; and the Senior Class Debt and Second Priority Class Debt, collectively, the "Class Debt") may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the Senior Collateral Documents, if and subject to the condition that the Representative of any such Senior Class Debt (each, a "Senior Class Debt Representative"; and the Senior Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the "Class Debt Representatives"), acting on behalf of the holders of such Senior Class Debt (such Representative and holders in respect of any such Senior Class Debt being referred to as the "Senior Class Debt Parties"; and the Senior Class Debt Parties and Second Priority Class Debt Parties, collectively, the "Class Debt Parties"), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (vi), as applicable, of the immediately succeeding paragraph. In order for a Class Debt Representative to become a party to this Agreement:

(i) such Class Debt Representative shall have executed and delivered a Joinder Agreement substantially in the form of Annex III (if such Representative is a Second Priority Class Debt Representative) or Annex IV (if such Representative is a Senior Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Representative and such Class Debt Representative, and, to the extent such changes increase the obligations or reduce the rights of a Grantor, by such Grantor) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Designated Senior Representative an Officer's Certificate stating that the conditions set forth in this Section 8.09 are satisfied with respect to such Class Debt and, if requested, true and complete copies of each of the Second Priority Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct by a Responsible Officer of the Borrower; and

(iii) the Second Priority Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt shall provide that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

SECTION 8.10. Consent to Jurisdiction; Waivers. Each Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 8.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.10 any special, exemplary, punitive or consequential damages.

As agreed to in writing among each Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

SECTION 8.12. Further Assurances. Each Senior Representative, on behalf of itself and each Senior Secured Party under the Senior Debt Facility for which it is acting, each Second Party Representative, on behalf of itself, and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the other parties hereto may reasonably request to effectuate the terms of, and the Lien priorities contemplated by, this Agreement.

Accordingly, the Designated Senior Representative and the New Representative agree as follows:

SECTION 1. In accordance with Section 8.09 of the Second Lien Intercreditor Agreement, the New Representative by its signature below becomes a Representative under, and the related Senior Class Debt and Senior Class Debt Parties become subject to and bound by, the Second Lien Intercreditor Agreement with the same force and effect as if the New Representative had originally been named therein as a Representative, and the New Representative, on behalf of itself and such Senior Class Debt Parties, hereby agrees to all the terms and provisions of the Second Lien Intercreditor Agreement applicable to it as a Senior Representative and to the Senior Class Debt Parties that it represents as Senior Debt Parties. Each reference to a “Representative” or “Senior Representative” in the Second Lien Intercreditor Agreement shall be deemed to include the New Representative. The Second Lien Intercreditor Agreement is hereby incorporated herein by reference.

SECTION 2. The New Representative represents and warrants to the Designated Senior Representative and the other Secured Parties that (i) it has full power and authority to enter into this Representative Supplement, in its capacity as [agent] [trustee], (ii) this Representative Supplement has been duly authorized, executed and delivered by it and constitutes its legal,

valid and binding obligation, enforceable against it in accordance with the terms of such Agreement and (iii) the Senior Debt Documents relating to such Senior Class Debt provide that, upon the New Representative's entry into this Agreement, the Senior Class Debt Parties in respect of such Senior Class Debt will be subject to and bound by the provisions of the Second Lien Intercreditor Agreement as Senior Secured Parties.

SECTION 3. This Representative Supplement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Representative Supplement shall become effective when the Designated Senior Representative shall have received a counterpart of this Representative Supplement that bears the signature of the New Representative. Delivery of an executed signature page to this Representative Supplement by facsimile transmission shall be effective as delivery of a manually signed counterpart of this Representative Supplement.

SECTION 4. Except as expressly supplemented hereby, the Second Lien Intercreditor Agreement shall remain in full force and effect.

SECTION 5. THIS REPRESENTATIVE SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. In case any one or more of the provisions contained in this Representative Supplement should be held invalid, illegal or unenforceable in any respect, no party hereto shall be required to comply with such provision for so long as such provision is held to be invalid, illegal or unenforceable, but the validity, legality and enforceability of the remaining provisions contained herein and in the Second Lien Intercreditor Agreement shall not in any way be affected or impaired. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in Section 8.11 of the Second Lien Intercreditor Agreement. All communications and notices hereunder to the New Representative shall be given to it at the address set forth below its signature hereto.

WITNESSETH:

WHEREAS, the Borrower has requested the issuance of an Incremental Loan in an aggregate principal amount of \$180,000,000, which upon funding shall be in the form of an increase to the Initial Loans outstanding under the Credit Agreement immediately prior to the effectiveness of this Amendment, pursuant to and on the terms set forth in Section 2.12 of the Credit Agreement and \$80,000,000 of which shall be issued pursuant to clause (x) of the definition of Maximum Incremental Amount and \$100,000,000 of which shall be issued pursuant to clause (z) of the definition of Maximum Incremental Amount;

WHEREAS, the Borrower, the Administrative Agent and the Lender providing the Incremental Loan have agreed to amend certain provisions of the Credit Agreement as provided for herein to effect the incurrence of the Incremental Loan to the Credit Agreement pursuant to Section 2.12 thereof; and

WHEREAS, the Lender ("Incremental Lender") listed on Schedule I hereto will make an Incremental Loan to the Borrower on the Amendment No. 1 Effective Date in the form of an Initial Loan.

NOW, THEREFORE, the parties hereto hereby agree as follows:

ARTICLE I**Defined Terms**

Section 1.1 Defined Terms. Terms defined in the Credit Agreement and used herein without definition shall have the meanings given to them in the Credit Agreement (as amended by this Amendment).

ARTICLE II**Incremental Loan**

Section 2.1 Amendment No. 1 Incremental Loan. The Borrower confirms and agrees that it has requested an increase in the aggregate amount of the Initial Loans through the establishment of an Incremental Loan of the same Class as the existing Initial Loans to be made pursuant to the Amendment No. 1 Incremental Commitment in an aggregate principal amount of \$180,000,000 on the Amendment No. 1 Effective Date.

Section 2.2 Agreements of the Incremental Lender. The Incremental Lender agrees that (i) effective on and at all times after the Amendment No. 1 Effective Date, the Incremental Lender will be bound by all obligations of a Lender under the Credit Agreement and (ii) on the Amendment No. 1 Effective Date, the Incremental Lender will fund an Amendment No. 1 Incremental Loan in Dollars to the Administrative Agent for the account of the Borrower in an amount equal to the Incremental Lender's Amendment No. 1 Incremental Commitment. The Amendment No. 1 Incremental Commitment shall terminate on the Amendment No. 1 Effective Date following the funding of the Amendment No. 1 Incremental Loan to be funded on such date.

Section 2.3 Fungibility of Amendment No. 1 Incremental Loans. The Amendment No. 1 Incremental Loan established hereunder will upon funding, be an increase in the amount of each Borrowing of Initial Loans outstanding immediately prior to the Amendment No. 1 Effective Date, will constitute Initial Loans for all purposes of the Credit Agreement and will, together with the Initial Loans outstanding prior to the Amendment No. 1 Effective Date, be treated as one Class of Loans.

Section 2.4 Use of Proceeds. The Borrower shall use the proceeds of the Amendment No. 1 Incremental Loan to redeem a portion of the Senior Notes and to pay related fees and expenses.

ARTICLE III

Amendments

Subject to the occurrence of the Amendment No. 1 Effective Date:

(a) Section 1.01 of the Credit Agreement is hereby amended by inserting in appropriate alphabetical order the following new definitions:

"Amendment No. 1" means Incremental Amendment No. 1 to this Agreement dated as of July 21, 2017.

"Amendment No. 1 Effective Date" means July 21, 2017, the date of effectiveness of Amendment No. 1.

"Amendment No. 1 Incremental Commitment" means, as to the Amendment No. 1 Incremental Lender, the obligation of such Amendment No. 1 Incremental Lender to make an Amendment No. 1 Incremental Loan to the Borrower on the Amendment No. 1 Effective Date, in the aggregate principal amount set forth on Schedule I to Amendment No. 1.

"Amendment No. 1 Incremental Lender" means a Person with an Amendment No. 1 Incremental Commitment to make an Amendment No. 1 Incremental Term Loan to the Borrower on the Amendment No. 1 Effective Date.

“Amendment No. 1 Incremental Loan” means the Incremental Loan made by the Amendment No. 1 Incremental Lender pursuant to its Amendment No. 1 Incremental Commitment.”

(b) The definition of “Initial Loans” in Section 1.01 of the Credit Agreement is hereby deleted and replaced with the following:

“Initial Loans” has the meaning specified in Section 2.01; provided that such term shall also include the Amendment No. 1 Incremental Loan.”

(c) Section 2.01 of the Credit Agreement is hereby amended by adding “(a)” at the beginning thereof and adding the following new clause (b) to such Section:

“(b) Subject to the terms and conditions set forth herein and in Amendment No. 1, the Amendment No. 1 Incremental Lender agrees to make to the Borrower an Amendment No. 1 Incremental Loan denominated in Dollars equal to its Amendment No. 1 Incremental Commitment on the Amendment No. 1 Effective Date. The Amendment No. 1 Incremental Loan made on the Amendment No. 1 Effective Date will take the form of a pro rata increase in each Borrowing of Initial Loans outstanding immediately prior to the funding of the Amendment No. 1 Incremental Loan. Amounts borrowed under this Section 2.01(b) and repaid or prepaid may not be reborrowed.”

(d) Section 2.05 of the Credit Agreement is hereby amended and restated in its entirety as follows:

“SECTION 2.05 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each January, April, July and October, commencing with the last Business Day of January, 2017, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Loans outstanding on the Closing Date; provided that the required amount of each such payment following the Amendment No. 1 Effective Date shall be increased by multiplying the amount set forth above in clause (a) by a fraction, the numerator of which is the aggregate principal amount of Initial Loans outstanding immediately following the funding of the Amendment No. 1 Incremental Loan on the Amendment No. 1 Effective Date and the denominator of which is the aggregate principal amount of Initial Loans outstanding immediately prior to such funding (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.03) and (b) on the Maturity Date for the Initial Loans, the aggregate principal amount of all Initial Loans outstanding on such date.”

ARTICLE IV

(k) The Administrative Agent shall have received a solvency certificate from the chief financial officer of the Borrower (after giving effect to the borrowing of the Incremental Loan and the application of proceeds thereof) in form reasonably satisfactory to the Administrative Agent.

(l) The Administrative Agent shall have received copies of a recent Lien and judgment search in each jurisdiction reasonably requested by the Administrative Agent with respect to the Loan Parties.

(m) The Administrative Agent shall have received a life-of-loan flood hazard determination notice for each real property encumbered by a Mortgage and if such real property is located in a special flood hazard area: (x) a notice about special flood hazard area status and flood disaster assistance duly executed by the Borrower and (y) certificates of insurance evidencing the insurance required by the Credit Agreement in form and substance satisfactory to the Administrative Agent.

The Administrative Agent shall notify the Borrower and the Lenders of the Amendment No. 1 Effective Date.

ARTICLE V

Section 5.1 Real Estate Deliverables. Within sixty (60) days after the Amendment No. 1 Effective Date, unless waived or extended by the Administrative Agent in its sole discretion, the Administrative Agent shall have received either:

(a) email correspondence provided to the Administrative Agent in form and substance reasonably satisfactory to the Administrative Agent, from local counsel in the jurisdiction in which the Mortgaged Property is located substantially to the effect that:

(i) the recording of the existing Mortgage is the only filing or recording necessary to give constructive notice to third parties of the lien created by such Mortgage as security for the Secured Obligations (as defined in the Mortgage), including the Secured Obligations evidenced by the Credit Agreement, as amended pursuant to this Amendment, and the other documents executed in connection therewith, for the benefit of the Secured Parties; and

(ii) no other documents, instruments, filings, recordings, re-recordings, re-filings or other actions, including, without limitation, the payment of any mortgage recording taxes or similar taxes, are necessary or appropriate under applicable law in order to maintain the continued enforceability, validity or priority of the lien created by such Mortgage as security for the Secured Obligations, including the Secured Obligations evidenced by the Credit Agreement, as amended pursuant to this Amendment, and the other documents executed in connection therewith, for the benefit of the Secured Parties; or

(b) such other documentation with respect to each Mortgaged Property, in each case in form and substance reasonably acceptable to the Administrative Agent, as shall confirm the validity and perfection of the lien in favor of the Secured Parties, including, without limitation:

(i) With respect to each Mortgage, an amendment thereof (each a "Mortgage Amendment") duly executed and acknowledged by the applicable Loan Party, and in form for recording in the recording office where each such Mortgage was recorded, together with such certificates, affidavits, questionnaires or returns as shall be required in connection with the recording or filing thereof under applicable law;

(ii) With respect to each Mortgage Amendment, opinions of local counsel to the Loan Parties, which opinions (a) shall be addressed to the Administrative Agent and each of the Secured Parties and (b) shall cover the due authorization, execution, delivery and enforceability of the respective Mortgage as amended by the Mortgage Amendment and such other matters incident to the transactions contemplated herein as the Administrative Agent may reasonably request;

(iii) With respect to each Mortgage Amendment, a date down endorsement to the existing Mortgage Policy, which shall reasonably assure the Administrative Agent as of the date of such endorsement that the real property subject to the lien of such Mortgage is free and clear of all defects and encumbrances except Permitted Encumbrances (as defined in the Mortgages);

(iv) evidence of payment by the Loan Parties of all search and examination charges escrow charges and related charges, mortgage recording taxes, fees, charges, costs and expenses required for the recording of the Mortgage Amendment referred to above together with such affidavits, certificates, information and instruments of indemnification as shall be required to induce the title insurance company to issue the endorsement to the title policy contemplated in this Section.

ARTICLE VI

Representation and Warranties

After giving effect to the amendments contained herein, on the Amendment No. 1 Effective Date each Loan Party hereby confirms that: (a) this Amendment has been duly authorized, executed and delivered by such Loan Party and constitutes the legal, valid and binding obligation of each such Loan Party enforceable against it in accordance with its terms, except as such enforceability may be limited by debtor relief laws and by general principles of equity; (b) the representations and warranties of each Loan Party contained in Article V of the Credit Agreement or any other Loan Document are true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality or Material Adverse Effect, in all respects) on and as of the Amendment No. 1 Effective Date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties were true and correct in all material respects (or, in the case of any representations and warranties qualified by materiality or Material Adverse Effect, in all respects) as of such earlier date); and (c) no Default or Event of Default has occurred and is continuing.

ARTICLE VII

Miscellaneous

Section 7.1 Continuing Effect; No Other Amendments or Waivers. This Amendment shall not constitute an amendment or waiver of or consent to any provision of the Credit Agreement and the other Loan Documents except as expressly stated herein and shall not be construed as an amendment, waiver or consent to any action on the part of the Loan Parties that would require an amendment, waiver or consent of the Administrative Agent or the Lenders except as expressly stated herein. Notwithstanding anything contained herein, this Amendment shall not constitute a novation of the Credit Agreement. Except as expressly waived hereby, the provisions of the Credit Agreement and the other Loan Documents are and shall remain in full force and effect in accordance with their terms. This Amendment shall constitute an "Incremental Amendment" and a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents. This Amendment shall not constitute a novation of the Credit Agreement or any other Loan Document.

Section 7.2 Counterparts. This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Section 7.3 GOVERNING LAW. THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 7.4 Reaffirmation. Each Loan Party hereby expressly acknowledges the terms of this Amendment and reaffirms, as of the date hereof, (i) the covenants and agreements contained in each Loan Document to which it is a party, including, in each case, such covenants and agreements as in effect immediately after giving effect to this Amendment and the transactions contemplated hereby and (ii) its guarantee of the Obligations under each Guaranty, as applicable, and its grant of Liens on the Collateral to secure the Obligations (including, in respect of Amendment No. 1 Incremental Loans) pursuant to the Collateral Documents which guarantees and Liens shall continue in full force and effect after giving effect to this Amendment.

Section 7.5 Tax Matters. For U.S. federal and applicable state and local income tax purposes, the Borrower, each Lender and the Administrative Agent agree to treat the Incremental Loan established hereunder as a “qualified reopening” (within the meaning of Treasury Regulations Section 1.1275-2(k)) of, and being fungible with, the Initial Loans outstanding prior to the Amendment No. 1 Effective Date.

Section 7.6 Effect of Amendment. On and after the Amendment No. 1 Effective Date, each reference in the Credit Agreement to “this Agreement,” “hereunder,” “hereof” or words of like import referring to the Credit Agreement, and each reference in each of the other Loan Documents to “the Credit Agreement,” “thereunder,” “thereof” or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by this Amendment.

SECTION 1.02 Other Interpretive Provisions. With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

(a) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.

(b) (i) The words “herein,” “hereto,” “hereof” and “hereunder” and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.

(ii) References in this Agreement to an Exhibit, Schedule, Article, Section, clause or sub-clause refer (A) to the appropriate Exhibit or Schedule to, or Article, Section, clause or sub-clause in this Agreement or (B) to the extent such references are not present in this Agreement, to the Loan Document in which such reference appears.

(iii) The term “including” is by way of example and not limitation.

(iv) The term “documents” includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(c) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding”; and the word “through” means “to and including.”

(d) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

SECTION 1.03 Accounting Terms. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein.

SECTION 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

SECTION 1.05 References to Agreements, Laws, Etc. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other

modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document; and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

SECTION 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

SECTION 1.07 Available Amount Transactions. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the amount of the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e. each transaction must be permitted under the Available Amount as so calculated.

SECTION 1.08 Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA and any financial ratio or test, including the First Lien Net Leverage Ratio and the Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.08; *provided* that, notwithstanding anything to the contrary in clause (b), (c) or (d) of this Section 1.08, when calculating the First Lien Net Leverage Ratio for purposes of Section 2.03(b)(i), the events described in this Section 1.08 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect.

(b) For purposes of calculating Consolidated EBITDA and any financial ratios or tests, including the First Lien Net Leverage Ratio and the Net Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Test Period or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then the First Lien Net Leverage Ratio and the Net Leverage Ratio and Consolidated EBITDA shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.08.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and may include, for the avoidance of doubt, the amount of “run rate” cost savings, operating expense reductions and synergies projected by the Borrower in good faith to be realized as a result of specified actions taken, committed to be taken or reasonably expected to be taken (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period) relating to such Specified Transaction, and “run rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements), net of the amount of actual benefits theretofore realized during such period from such actions; *provided* that any such projected “run rate” cost savings, operating expense reductions and synergies shall only be permitted to be included to the extent consistent with the requirements applicable to *pro forma* financial statements prepared in accordance with Regulation S-X under the Securities Act.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the First Lien Net Leverage Ratio and the Net Leverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under the ABL Facility or any other revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the First Lien Net Leverage Ratio and the Net Leverage Ratio shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

SECTION 1.09 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 7.01, 7.02 and 7.03 with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

(b) For purposes of determining the First Lien Net Leverage Ratio and the Net Leverage Ratio amounts denominated in a currency other than Dollars will be converted to Dollars at the currency exchange rates used in preparing the Borrower's financial statements corresponding to the Test Period with respect to the applicable date of determination and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

SECTION 1.10 Limited Condition Acquisitions. In connection with any action being taken in connection with a Limited Condition Acquisition for purposes of determining

(a) whether any Indebtedness that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred in compliance with Section 7.03 or Section 2.12;

(b) whether any Lien being incurred in connection with such Limited Condition Acquisition is permitted to be incurred in accordance with Section 7.01 or Section 2.12;

(c) whether any other transaction undertaken or proposed to be undertaken in connection with such Limited Condition Acquisition complies with the covenants or agreements contained in this Agreement; and

(d) any calculation of the ratios or baskets, including the Net Leverage Ratio, First Lien Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA and/or pro forma cost savings and baskets determined by reference to Consolidated EBITDA or Total Assets and whether a Default or Event of Default exists in connection with the foregoing:

at the option of the Borrower, the date that the definitive agreement for such Limited Condition Acquisition is entered into (the "**Transaction Agreement Date**") may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA." For the avoidance of doubt, if the Borrower elects to use the Transaction Agreement Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Net Leverage Ratio, First Lien Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA and/or Total Assets of the Borrower from the Transaction Agreement Date to the date of consummation of such Limited Condition Acquisition will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Limited Condition Acquisition is permitted to be incurred, or whether any other transaction undertaken in connection with such Limited Condition Acquisition by the Borrower or any of the Restricted Subsidiaries complies with the Loan Documents and (b) after the Transaction Agreement Date and until such Limited Condition Acquisition is consummated or the definitive agreements in respect thereof are terminated or expire, such Limited Condition Acquisition and all transactions proposed to be undertaken in connection therewith (including without limitation the incurrence of Indebtedness and Liens) will be given Pro Forma Effect when determining compliance of other transactions (including without limitation the incurrence of Indebtedness and Liens unrelated to such Limited Condition Acquisition) that are consummated after the Transaction Agreement Date and on or prior to the date of consummation of such Limited Condition Acquisition and any such transactions (including without limitation any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the Transaction Agreement Date

and be outstanding thereafter for purposes of calculating any baskets or ratios under the Loan Documents after the Transaction Agreement Date and before the date of consummation of such Limited Condition Acquisition (or the date the definitive agreements in respect thereof are terminated or expire); *provided* that solely with respect to Restricted Payments only (and only until such time as the applicable Limited Condition Acquisition has been consummated or the definitive documentation for such Limited Condition Acquisition is terminated), such calculation shall also be made on a standalone basis without giving effect to such Limited Condition Acquisition and the other transactions in connection therewith.

ARTICLE II

The Commitments and Borrowings

SECTION 2.01 The Loans. Subject to the terms and conditions set forth herein, each Lender agrees to make to the Borrower a loan denominated in Dollars (an “**Initial Loan**”) equal to its Commitment on the Closing Date. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed. Initial Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

SECTION 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon the Borrower’s irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 11:00 a.m. (i) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurodollar Rate Loans or any conversion of Base Rate Loans to Eurodollar Rate Loans, and (ii) one (1) Business Day before the requested date of any Borrowing of Base Rate Loan; *provided, however*, that if the Borrower wishes to request Eurodollar Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof. Each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Eurodollar Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Class and Type of Loans to be borrowed or to which existing Loans are to be converted and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation of Loans described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent’s Office not later than 1:00 p.m., on the Business Day

specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is on the Closing Date, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(c) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans may be converted to or continued as Eurodollar Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided that* after the establishment of any new Class of Loans pursuant to a Refinancing Amendment or Extension, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(a) Optional.

(i) The Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as provided in Section 2.15; *provided* that (1) such notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the Loans pursuant to this Section 2.03(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares; *provided*, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Classes of Loans, such prepayment may be applied to any Class of Loans so long as the Maturity Date of such Class of Loans (or such Classes of Loans) precedes the Maturity Date of each other Class of Loans then outstanding or, in the event more than one Class of Loans shall have an identical Maturity Date, to such Classes on a pro rata basis.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.03(a)(i) if such prepayment would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iii) [Reserved].

(iv) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, the Borrower may prepay the outstanding Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon acquisition by the Borrower) (or Holdings or any of its Subsidiaries may purchase such outstanding Loans and immediately cancel them) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "**Discounted Loan Prepayment**"), in each case made in accordance with this Section 2.03(a)(iv); *provided* that no Company Party shall initiate any action under this Section 2.03(a)(iv) in order to make a Discounted Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Loan Prepayment as a result of a prepayment made by a Company Party on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Company Party was notified that no Lender was willing to accept any prepayment of any Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of any Company Party's election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days' notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such offer shall specify the

aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable tranche, the tranche or tranches of Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the tranches of such Lender’s Loans to be prepaid at such offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided that*, if the aggregate principal amount of Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Discount Range Prepayment Notice; *provided that* (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Loans (the “**Discount Range Prepayment Amount**”), the tranche or tranches of Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Loans with respect to each relevant tranche of Loans willing to be prepaid by such Company Party (it being understood that different

Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender’s Loans (the “**Submitted Amount**”) such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “**Participating Lender**”).

(3) If there is at least one Participating Lender, the relevant Company Party will prepay the respective outstanding Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Loans (the "**Solicited Discounted Prepayment Amount**") and the tranche or tranches of Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to such Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Lender is willing to allow prepayment of its then outstanding Loan and the maximum aggregate principal amount and tranches of such Loans (the "**Offered Amount**") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party (the "**Acceptable Discount**"), if any. If the Company Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the "**Discounted Prepayment Determination Date**"), the Auction Agent will determine (in consultation with the relevant Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Loans (the "**Acceptable Prepayment Amount**") to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.03(a)(iv)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Offered Amount (subject to any required pro rata

reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Loan Prepayment, the Company Parties and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment, the payment of customary fees and expenses from a Company Party in connection therewith.

(F) If any Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Loans on the Discounted Prepayment Effective Date. The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 11:00 a.m. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Loans on a pro rata basis across such installments. The Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Loans pursuant to this Section 2.03(a)(iv) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share. The aggregate principal amount of the tranches and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.03(a)(iv), the relevant Company Party shall make a representation to the Lenders that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information).

(G) To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.03(a)(iv), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.03(a)(iv), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent’s (or its delegate’s) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.03(a)(iv) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Loan Prepayment provided for in this Section 2.03(a)(iv) as well as activities of the Auction Agent.

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.03(a)(iv) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(b) Mandatory.

(i) Subject to Section 2.03(b)(vii), within fifteen (15) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(v) of this Section 2.03, prepay an aggregate principal amount of Loans equal to (A) 50% (such percentage as it may be reduced as described below, the “**ECF Percentage**”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ended on or about January 31, 2019) minus (B) the sum of (at the Borrower’s option) (i) all voluntary prepayments of Loans (including any Incremental Loans), pursuant to Section 2.03(a)(i), 2.03(a)(iv) (in an amount equal to the discounted amount actually paid in respect of the principal amount of such Loans), and the amount actually paid in cash pursuant to any assignment made in accordance with Section 10.07(h)(iv), in each case, during such fiscal year (or after the end of such fiscal year and prior to the time such mandatory prepayment is due, without duplication in any other Excess Cash Flow period) and (ii) all voluntary prepayments of loans under the ABL Facilities during such fiscal year (or after the end of such fiscal year and prior to the time such mandatory prepayment is due, without duplication in any other Excess Cash Flow period) to the extent accompanied by a corresponding permanent reduction in the commitments under the ABL Facilities, in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of long term Indebtedness (other than revolving borrowings); *provided* that (x) the ECF Percentage shall be 25% if the First Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.50 to 1.0 and greater than 2.00 to 1.0 and (y) the ECF Percentage shall be 0% if the First Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.00 to 1.0.

(ii) Subject to Section 2.03(b)(vii), (A) if (x) the Borrower or any of its Restricted Subsidiaries Disposes of any property or assets (other than (X) any Disposition of any property or assets permitted by Sections 7.05(a), (b), (c), (d) (to the extent constituting a Disposition to the Borrower or a Restricted Subsidiary that is a Guarantor), (e), (g), (h), (i), (k), (l), (m), (n), (p), (s) and (t) and (Y) so long as the ABL Credit Agreement is in effect, any Disposition of Current Asset Collateral) or (y) any Casualty Event occurs (other than with respect to Current Asset Collateral so long as the ABL Facility or any Permitted Refinancing thereof is in effect), which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds, the Borrower shall prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clause (b)(v) of this Section 2.03, an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds realized or received; *provided*, that if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase Permitted Pari Passu Secured Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari

Passu Secured Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to this Section 2.03(b)(ii)(A) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof; *provided, further*, that, no prepayment shall be required pursuant to this Section 2.03(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.03(b)(ii)(B).

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.03(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) twelve (12) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within twelve (12) months following receipt thereof, within the later of (1) twelve (12) months following receipt thereof and (2) one hundred and eighty (180) days of the date of such legally binding commitment; *provided* that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (iv) and (v) of this Section 2.03(b), an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Loans as set forth in this Section 2.03.

(iii) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) (A) Except as may otherwise be set forth in any Refinancing Amendment, Extension Offer or any Incremental Amendment, each prepayment of Loans pursuant to this Section 2.03(b) shall be applied ratably to each Class of Loans then outstanding (*provided*, that any prepayment of Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Loans selected by the Borrower) and (B) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment; *provided* that the Borrower may apply the Net Cash Proceeds of any mandatory prepayment from asset sales or casualty events ratably to the payment of Loans under the Facility, any Permitted *Pari Passu* Secured Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations) to the extent required by the terms of such other indebtedness.

(v) Notwithstanding any other provisions of this Section 2.03(b), (A) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.03(b)(ii) (a “**Foreign Disposition**”), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”), or Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.03(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in

any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.03(b) to the extent provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, *provided* that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.03(b) (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(vi) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Loans required to be made pursuant to clause (i) or (ii) of this Section 2.03(b) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender of the contents of the Borrower's prepayment notice and of such Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Loans required to be made pursuant to clause (i) or (ii) of this Section 2.03(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory prepayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Loans. Subject to any requirements of any other Indebtedness, any Declined Proceeds remaining after offering such Declined Proceeds to Lenders in accordance with the terms hereof may be retained by the Borrower.

(vii) Notwithstanding the foregoing, for so long as any Indebtedness is outstanding under the First Lien Term Credit Agreement, any Permitted Priority Secured Debt or any Permitted Refinancing of any of the foregoing that is secured by Liens on the Collateral on a basis that is senior to the Liens securing the Obligations, only Declined Proceeds (under and as defined in the First Lien Term Credit Agreement as in effect on the Closing Date) shall be subject to the prepayment requirements of Section 2.03(b)(i) and 2.03(b)(ii) above.

(c) Interest, Funding Losses, Etc. All prepayments under this Section 2.03 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.03, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.03 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.03 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.03. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.03.

SECTION 2.04 Termination or Reduction of Commitments.

(a) Optional. The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction and (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof or, if less, the entire amount thereof. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory. The Commitments shall be automatically and permanently reduced to \$0 upon the making of the Initial Loans pursuant to Section 2.01.

SECTION 2.05 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Initial Loans, the aggregate principal amount of all Initial Loans outstanding on such date.

SECTION 2.06 Interest.

(a) Subject to the provisions of Section 2.06(b), (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period plus the Applicable Rate and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.07 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.08 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.09 Evidence of Indebtedness.

(a) The Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.09(a), and by each Lender in its account or accounts pursuant to Section 2.09(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.10 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City standard time), shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(c) Unless the Borrower has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder for the account of any Lender, that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to such Lender. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then such Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.11 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain payment in respect of any principal of or interest on account of the Loans made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment of principal of or interest on such Loans, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.11 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.11 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.12 Incremental Borrowings.

(a) The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request one or more additional tranches of Loans (the "**Incremental Loans**"); *provided* that, subject to the

Limited Condition Acquisition provisions, at the time when any such Incremental Loan is made (and after giving effect thereto), no Default or Event of Default (or, in the case of any Limited Condition Acquisition, no Event of Default under Section 8.01(a) or 8.01(f) as of the Transaction Agreement Date) shall exist. Each tranche of Incremental Loans shall be in an aggregate principal amount that is not less than \$20,000,000 (*provided* that such amount may be less than \$20,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence). Notwithstanding anything to the contrary herein, the aggregate amount of the Incremental Loans, when aggregated with (A) the aggregate amount of Permitted *Pari Passu* Secured Debt (that is not designated as Credit Agreement Refinancing Indebtedness) and (B) the aggregate principal amount of Permitted Ratio Debt incurred in reliance on clauses (x) or (y) of the definition of “Maximum Incremental Amount” shall not exceed the Maximum Incremental Amount. (a) The Incremental Loans shall rank *pari passu* in right of payment and of security with the Loans, (b) the Incremental Loans shall not mature earlier than the Original Loan Maturity Date, (c) the Weighted Average Life to Maturity of any Incremental Loans shall be no shorter than that of the then-existing Loans, (d) the interest rate margin applicable to any Incremental Loans will be determined by the Borrower and the lenders providing such Incremental Loans, *provided* that, in the event that the All-In Yield applicable to any Incremental Loans exceeds the All-In Yield of any Class of Loans existing at such time by more than 50 basis points, then the interest rate margins for each such Class of Loans shall be increased to the extent necessary so that the All-In Yield of such Loans is equal to the All-In Yield of such Incremental Loans minus 50 basis points, (e) the Specified Representations shall be accurate in all material respects before and after the effectiveness of any Incremental Amendment referred to below and (f) except as otherwise required or permitted in clauses (a) through (e) above, all other terms of such Incremental Loans, if not consistent with the terms of the existing Loans, shall either be reasonably satisfactory to the Administrative Agent or not more favorable, taken as a whole, to the lenders providing such Incremental Loans than the terms of the existing Loans (other than with respect to any terms and conditions applicable after the maturity date of the Loans); *provided* that no such Incremental Loans shall have financial covenants and more restrictive covenants than those contained in this Agreement unless (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall not require the consent of any Lender). Any Incremental Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Incremental Amendment. Each notice from the Borrower pursuant to this Section shall set forth the requested amount and proposed terms of the relevant Incremental Loans. Incremental Loans may be made by any existing Lender (it being understood that no existing Lender will have an obligation to make a portion of any Incremental Loan) or by any Additional Lender on terms permitted in this Section 2.12 and otherwise on terms reasonably acceptable to the Administrative Agent. Commitments in respect of Incremental Loans shall become Commitments under this Agreement pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.12. The effectiveness of (and, in the case of any Incremental Amendment for an Incremental Loan, the Borrowing under) any Incremental Amendment shall be subject to the satisfaction on the date thereof (each, an “**Incremental Facility Closing Date**”) of each of the conditions described in this Section 2.12(a) and such other conditions as the parties thereto shall agree. The Borrower shall use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(b) This Section 2.12 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

SECTION 2.13 Refinancing Amendments. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Other Loans to refinance all or any portion of the Loans then outstanding under this Agreement which will be made pursuant to Other Term Commitments in each case pursuant to a Refinancing Amendment; *provided* that such Other Loans (i) will rank *pari passu* in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing, premiums and optional prepayment or redemption terms as may be agreed by the Borrower and the Lenders thereof, (iii) will have a final maturity date no earlier than, and will have a Weighted Average Life to Maturity equal to or greater than, the Loans being refinanced, and (iv) will have terms and conditions that are substantially identical to, or (taken as a whole) are

no more favorable to the lenders or holders providing such Other Term Commitments and Other Loans than those applicable to the Loans being refinanced unless (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall not require the consent of any Lender). Any Other Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Refinancing Amendment. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent). Each Class of Other Term Commitments and Other Loans incurred under this Section 2.13 shall be in an aggregate principal amount that is not less than \$100,000,000. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Term Commitments and Other Loans incurred pursuant thereto (including any amendments necessary to treat the Other Loans and/or Other Term Commitments as Loans and Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.13. This Section 2.13 shall supersede any provisions in Section 2.11 or 10.01 to the contrary. No Lender shall be under any obligation to provide any Other Term Commitment unless such Lender executes a Refinancing Amendment.

SECTION 2.14 Extensions of Loans.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders of Loans with a like Maturity Date on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans with the same Maturity Date) and on the same terms to each such Lender, the Borrower may from time to time with the consent of any Lender that shall have accepted such offer to extend the maturity date of any Loans and otherwise modify the terms of such Loans of such Lender pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Loans) (each, an "**Extension**," and each group of Loans as so extended, as well as the original Loans not so extended, being a "**tranche**"; any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied: (i) no Default shall exist at the time the notice in respect of an Extension Offer is delivered to the Lenders, and no Default shall exist immediately prior to or after giving effect to the effectiveness of any Extended Loans, (ii) except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Loans of any Lender (an "**Extending Lender**") extended pursuant to any Extension ("**Extended Loans**") shall have the same terms as the tranche of Loans subject to such Extension Offer unless, with respect to any covenants and defaults that are, taken as a whole, more restrictive than the terms of this Agreement (A) such more restrictive terms are not applicable until after the then Latest Maturity Date or (B) this Agreement is amended in a manner reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender), (iii) the final maturity date of any Extended Loans shall be no earlier than the then Latest Maturity Date at the time of extension and the amortization schedule applicable to Loans pursuant to Section 2.05 for periods prior to the Original Loan Maturity Date may not be increased, (iv) the Weighted Average Life to Maturity of any Extended Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Loans extended thereby, (v) any Extended Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Extension Offer, (vi) if the aggregate principal amount of Loans (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loans offered to be extended by the Borrower pursuant to

such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (vii) all documentation in respect of such Extension shall be consistent with the foregoing, (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix) the interest rate margin applicable to any Extended Loans will be determined by the Borrower and the lenders providing such Extended Loans.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.14, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.03 and (ii) any Extension Offer is required to be in any minimum amount of \$25,000,000, *provided* that the Borrower may at its election specify as a condition (a “**Minimum Extension Condition**”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and may be waived by the Borrower) of Loans of any or all applicable tranches be tendered.

(c) The Lenders hereby irrevocably authorize the Administrative Agent and the Collateral Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.14.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days’ (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.14.

(e) This Section 2.14 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

SECTION 2.15 Loan Prepayment Protection. In the event that, on or prior to the date that is two years after the Closing Date, the Borrower (x) prepays any Initial Loans pursuant to Section 2.03(a) or 2.03(b)(iii) or (y) effects an assignment of the Loans held by a Non-Consenting Lender pursuant to Section 3.07 in connection with any amendment of this Agreement requiring the consent of each Lender with Initial Loans, the Borrower shall pay to the Administrative Agent, for the account of each of the applicable Lenders whose Initial Loans are so prepaid (in the case of clause (x) above) or that is a Non-Consenting Lender that is required to assign its Loans pursuant to Section 3.07 in connection with an amendment described in clause (y) above, in each case, a fee equal to the Applicable Prepayment Premium with respect to the aggregate principal amount of the Initial Loans of such Lender so prepaid or required to be assigned pursuant to Section 3.07. Such amounts shall be due and payable on the date of the applicable prepayment or assignment pursuant to Section 3.07.

SECTION 2.16 LIBOR Successor Rate.

(a) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the “**Scheduled Unavailability Date**”), or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “**LIBOR Successor Rate**”), together with any proposed LIBOR Successor Rate Conforming Changes and any such amendment shall become effective without any further action or consent by the Lenders at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

(b) If no LIBOR Successor Rate has been determined and the circumstances under clause (a)(i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) the Eurodollar Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified in such request.

(c) Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than 1% for purposes of this Agreement.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(a) All sums payable by any Loan Party hereunder or under any other Loan Document to any Lender or Agent shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Taxes.

(b) If any Loan Party or any Agent is required by law to make any deduction or withholding on account of any Non-Excluded Tax or Other Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents: (i) the applicable Loan Party (if it is required to make the deduction or withholding) shall notify the applicable Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it; (ii) the applicable Loan Party or Agent, as applicable, shall make such deduction or withholding and pay to the relevant Governmental Authority, in accordance with applicable law, any such Non-Excluded Tax or Other Tax before the date on which penalties attach thereto; (iii) the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding (including any deductions or withholdings attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable), receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and (iv) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (ii) above to pay, the Loan Party making such payments (if it is required to make the deduction or withholding) shall deliver to the applicable Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(c) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(c)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so.

Without limiting the foregoing:

(1) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Non-US Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(B) two properly completed and duly signed original copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Non-US Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit I (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of IRS Form W-8BEN or W-8BEN-E, as applicable, (or any successor forms),

(D) to the extent a Non-US Lender is not the beneficial owner (for example, where the Non-US Lender is a partnership or a participating Lender), two properly completed duly signed original copies of IRS Form W-8IMY (or any successor forms) of the Non-US Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(c) if such beneficial owner were a Lender, as applicable (provided that, if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Non-US Lender on behalf of such beneficial owner), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding tax on any payments to such Lender under the Loan Documents.

(3) If a payment made to a Lender under any Loan Document may be subject to U.S. federal withholding tax imposed by Sections 1471 through 1474 of the Code (including any successor provisions), such Lender shall deliver to Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may

be necessary for the Borrower and the Administrative Agent to comply with their obligations under Sections 1471 through 1474 of the Code and to determine whether such Lender has or has not complied with such Lender's obligations under such Sections and, if necessary, to determine the amount to deduct and withhold from such payment.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) In addition to the payments by a Loan Party required by Section 3.01(b), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(e) The Borrower shall indemnify each Lender and Agent (each a "**Tax Indemnatee**"), within 20 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee that is imposed on or in respect of any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Agent on its own behalf or on behalf of another Tax Indemnatee shall be conclusive absent manifest error.

(f) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Non-Excluded Taxes or Other Taxes in respect of which it has received additional payments under this Section 3.01, then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee if the Tax Indemnatee is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) In the event that a Loan Party makes an indemnification payment to a Tax Indemnatee with respect to Non-Excluded Taxes or Other Taxes pursuant to subsection (e) of this Section 3.01 or a Loan Party is required to repay to a Tax Indemnatee an amount in respect of a refund of any Non-Excluded Taxes or Other Taxes previously paid over to such Loan Party pursuant to subsection (f) of this Section 3.01, such Tax Indemnatee shall reasonably cooperate with all reasonable requests of such Loan Party, at the sole expense of such Loan Party, if (i) in the reasonable judgment of the Tax Indemnatee such cooperation shall not subject such Tax Indemnatee, as the case may be, to any unreimbursed third party cost or expense or otherwise be materially disadvantageous to such Tax Indemnatee and (ii) there is a reasonable basis for such Loan Party to contest with the applicable Governmental Authority the imposition of such Non-Excluded Taxes or Other Taxes or the repayment of such refund. Any resulting refund shall be governed by Section 3.01(f). This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

SECTION 3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined

by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders (or, in the case of clause (b), the Administrative Agent) reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (c) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders except in the case of clause (b) above) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
- (ii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it (except for any Excluded Tax or any Non-Excluded Taxes or Other Taxes indemnified or otherwise paid under Section 3.01); or
- (iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in this clause (a);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by

such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07;

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(b) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (i) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (iii) any Lender is a Non-Consenting Lender or (iv) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees or, subject to Sections 10.07(h) and (i), Affiliated Lenders, that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee or Affiliated Lender, as applicable, shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(f) such assignment does not conflict with applicable Laws.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender**.”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

ARTICLE IV

To the knowledge of the Borrower, the operation of the respective businesses of the Borrower or any of its Subsidiaries as currently conducted does not infringe upon, misuse, misappropriate or violate any IP Rights held by any Person except for such infringements, misuses, misappropriations or violations individually or in the aggregate, that would not reasonably be expected to have a Material Adverse Effect. Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

(j) Collateral Documents. (i) Any Collateral Document after delivery thereof pursuant to Section 4.01 or 6.11 shall for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction permitted under Section 7.04 or 7.05) cease to create, or any Lien purported to be created by any Collateral Document shall be asserted in writing by any Loan Party not to be, a valid and perfected lien, with the priority required by the Collateral Documents (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported

to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents or to file Uniform Commercial Code continuation statements and except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage, or (ii) any of the Equity Interests of the Borrower ceasing to be pledged pursuant to the Security Agreement free of Liens other than Liens permitted by the ABL Intercreditor Agreement, First Lien/Second Lien Intercreditor Agreement, any Pari Passu Intercreditor Agreement (if any) and the Junior Lien Intercreditor Agreement (if any) or any nonconsensual Liens arising solely by operation of Law; or

(k) Junior Financing Documentation. (i) Any of the Obligations of the Loan Parties under the Loan Documents for any reason shall cease to be "Senior Indebtedness" (or any comparable term) or "Senior Secured Financing" (or any comparable term) under, and as defined in any Junior Financing Documentation with an aggregate principal amount of not less than the Threshold Amount or (ii) the subordination provisions set forth in any Junior Financing Documentation with an aggregate principal amount of not less than the Threshold Amount shall, in whole or in part, cease to be effective or cease to be legally valid, binding and enforceable against the holders of any such Junior Financing, if applicable; or

(l) Change of Control. There occurs any Change of Control.

SECTION 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may with the consent of, and shall at the request of, the Required Lenders, take any or all of the following actions:

(a) declare Commitments of each Lender to be terminated, whereupon such Commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the Commitments of each Lender shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

SECTION 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent, subject to the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement, in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, the Obligations under Secured Hedge Agreements and Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

ARTICLE IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of the Administrative Agent.

(a) Each Lender hereby irrevocably appoints Bank of America, N.A. to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09 and 9.11) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Person serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.03 Exculpatory Provisions. Neither the Administrative Agent nor any other Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent):

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

SECTION 9.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender

unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

SECTION 9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Agent-Related Persons of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

SECTION 9.06 Non-Reliance on Administrative Agent and Other Lenders; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

SECTION 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required

Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided, further*, that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 9.08 No Other Duties; Arranger, Etc. Anything herein to the contrary notwithstanding, the Arrangers shall not have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder and such Person shall have the benefit of this Article IX. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrower or any of their respective Subsidiaries. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 9.09 Resignation of Administrative Agent. The Administrative Agent or Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent of the Borrower shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or Collateral Agent, as applicable, shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor of such Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and

such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

SECTION 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The holders of the Obligations hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the holders thereof shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata

by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Lender or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Lender or any acquisition vehicle to take any further action.

SECTION 9.11 Collateral and Guaranty Matters. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent agrees that it will:

(a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations and liabilities under Secured Hedge Agreements as to which arrangements satisfactory to the applicable Hedge Bank shall have been made, (y) Cash Management Obligations as to which arrangements satisfactory to the applicable Cash Management Bank shall have been made and (z) contingent indemnification obligations not yet accrued and payable), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than Holdings, the Borrower or any of its Domestic Subsidiaries that are Guarantors, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below or (v) when required pursuant to the terms of the ABL Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i);

(c) release any Guarantor from its obligations under the Guaranty if (i) in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder or (ii) in the case of Holdings, as a result of a transaction permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of the ABL Facilities, any Permitted Pari Passu Secured Debt, any Credit Agreement Refinancing Indebtedness, the First Lien Term Facilities, any Permitted Priority Secured Debt or any Junior Financing; and

(d) if any Guarantor shall cease to be a Material Domestic Subsidiary (as certified in writing by a Responsible Officer of the Borrower), and the Borrower notifies the Administrative Agent in writing that it wishes such Guarantor to be released from its obligations under the Guaranty and provides the Administrative Agent and the Collateral Agent such certifications or documents as either such Agent shall reasonably request, (i) release such Subsidiary from its obligations under the Guaranty and (ii) release any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary; *provided* that no such release shall occur if such Subsidiary continues to be a guarantor in respect of the ABL Facilities, the First Lien Term Facilities, any Permitted Priority Secured Debt, any Permitted Pari Passu Secured Debt, any Credit Agreement Refinancing Indebtedness or any Junior Financing.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may

reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

SECTION 9.12 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 9.13 Intercreditor Agreements. The Administrative Agent and the Collateral Agent are authorized to enter into the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement, any Pari Passu Intercreditor Agreement and any Junior Lien Intercreditor Agreement and the parties hereto acknowledge that the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement, and any such Pari Passu Intercreditor Agreement or Junior Lien Intercreditor Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Current Asset Collateral securing the Obligations on the terms set forth in the ABL Intercreditor Agreement, to the subordination of the Liens on the Collateral securing the Obligations on the terms set forth in in the First Lien/Second Lien Intercreditor Agreement and to the provisions of the Pari Passu Intercreditor Agreement with respect to the parity nature of the Liens on the Collateral, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and any such Pari Passu Intercreditor Agreement or Junior Lien Intercreditor Agreement and (c) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and, if applicable, any such Pari Passu Intercreditor Agreement or Junior Lien Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

SECTION 9.14 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.15 Withholding Taxes. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.15. The agreements in this Section 9.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X

Miscellaneous

SECTION 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.05 or 2.06 without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or, subject to Section 2.16 and Section 3.03, the rate of interest specified herein on, any Loan, or (subject to clause (i) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of "Required Lenders," "Required Facility Lenders" or "Pro Rata Share" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (ii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification and (iii) the consent of Required Facility Lenders shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under such Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities.

Notwithstanding the foregoing,

(a) No Lender consent is required to effect any amendment or supplement to the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or any Pari Passu Intercreditor Agreement or Junior Lien Intercreditor Agreement (i) that is for the purpose of adding the holders of other secured Indebtedness (or a Senior Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of the ABL Intercreditor Agreement, First Lien/Second Lien Intercreditor Agreement, such Pari Passu Intercreditor Agreement or such Junior Lien Intercreditor Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by the ABL Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement (or the comparable provisions, if any, of any Pari Passu Intercreditor Agreement or any Junior Lien Intercreditor Agreement); *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable; and

(b) This Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Loans of any Class (“**Refinanced Loans**”) with replacement term loans (“**Replacement Loans**”) hereunder; *provided* that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans, (b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Refinanced Loans (or similar interest rate spread applicable to such Refinanced Loans) immediately prior to such refinancing, (c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Refinanced Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Loans than, those applicable to such Refinanced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

SECTION 10.02 Notices and Other Communications; Facsimile Copies.

(a) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower or the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE," THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) Change of Address. Each of Holdings, the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i)

an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities Laws.

(f) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, each Co-Syndication Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Cahill Gordon & Reindel LLP and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of the Lenders taken as a whole, and (b) to pay or reimburse the Administrative Agent and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if reasonably necessary, one local counsel in any relevant material jurisdiction and, in the event of any conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail and such backup material as the Borrower may reasonably request. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion. The Borrower and each other Loan Party hereby acknowledge that the Administrative Agent and/or any Lender may receive a benefit, including without limitation, a discount, credit or other accommodation, from any of such counsel based on the fees such counsel may receive on account of their relationship with the Administrative Agent and/or such Lender, including, without limitation, fees paid pursuant to this Agreement or any other Loan Document.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Lender, the Arrangers and their respective Affiliates, directors, officers, employees, agents, partners, trustees or advisors and other representatives (collectively the “**Indemnitees**”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnatee in any way relating to or arising out of or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or the use or proposed use of the proceeds therefrom, or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnatee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnatee or of any affiliate, director, officer, employee or agent of such Indemnatee, (y) a material breach of any obligations under any Loan Document by such Indemnatee or of any Related Indemnified Person as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnatee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under the Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnatee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnatee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnatee to a third party). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnatee or any other Person, whether or not any Indemnatee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, etc., arising from a non-Tax claim.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not

occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section, or (iv) to an SPC in accordance with the provisions of subsection (g) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Agent-Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1,000,000 unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a) or, solely with respect to the Borrower or any Guarantor, Section 8.01(f) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required unless (1) an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f), has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is by the Arrangers or their Affiliates prior to the completion of the primary syndication (as determined by the Administrative Agent) or the 90th day after the Closing Date, whichever shall occur first; *provided* that if the Borrower does not respond to a request for an assignment within ten (10) Business Days after receiving written notice of a request for such consent, the Borrower shall be deemed to have consented to such assignment; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. All assignments shall be by novation.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower's Subsidiaries except as permitted under Section 2.03(a)(iv), (B) subject to subsection (h) below, any of the Borrower's Affiliates, (C) to a natural person or an investment vehicle of a natural person or (D) any Disqualified Institution to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.09 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, an investment vehicle of a natural person or, to the extent that the list of Disqualified Institutions has been provided to all Public Lenders on the Platform, any Disqualified Institution or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for

the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled (through the applicable Lender) to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections (including the limitation in the definition of "Excluded Taxes"), and Sections 3.06(a) and 3.07, as if the Participant were a Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.11 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld, conditioned or delayed). Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). A Lender shall not be obligated to disclose the Participant Register to any Person except to the extent such disclosure is necessary to establish that any Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections (including the limitation in the definition of "Excluded Taxes"), and Sections 3.06(a) and 3.07, as if the SPC were a Lender); provided, that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Sections 3.01, 3.04 or 3.05) unless such increase or change results from a Change in Law after the grant was made. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the Laws of the United

States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to a Person who is or will become, after such assignment, the Borrower or an Affiliated Lender through (x) Dutch auctions open to all Lenders in accordance with procedures of the type described in Section 2.03(a)(iv) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) if the Borrower or an Affiliated Lender (A) purchases any Loans pursuant to this clause (h) or (B) sells any Loan hereunder, then either (I) the Borrower or such Affiliated Lender shall represent and warrant to the seller or the buyer, as applicable, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or (II) each of the seller and buyer shall render to each other a customary “big boy” disclaimer letter;

(iii) the aggregate principal amount of Loans held at any one time by Affiliated Lenders (measured immediately after giving effect to any such acquisition of Loans) may not exceed 25% of the principal amount of all Loans at such time outstanding; and

(iv) in the case of an assignment to the Borrower (A) no Event of Default shall have occurred and be continuing at the time of such assignment and (B) the Loans assigned to the Borrower shall be automatically and permanently cancelled upon the closing of such assignment.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(A) all Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders have taken any actions; and

(B) all Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated

Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

SECTION 10.08 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable prior to any such disclosure by such Person unless such notification is prohibited by law, rule or regulation or except in connection with any request as part of a regulatory examination, (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person unless such notification is prohibited by law, rule or regulation or except in connection with any request as part of a regulatory examination, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender (other than to a Disqualified Institution; *provided* that the list of Disqualified Institutions may be provided) or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from the Administrative Agent or such Lender) or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender, or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent or Lender to be subject to a confidentiality restriction in respect thereof in favor of the Borrower or any Affiliate of the Borrower.

For purposes of this Section, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 10.09 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply

any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.12 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

SECTION 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

SECTION 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall

endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 10.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

SECTION 10.18 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent (which shall not be withheld in contravention of Section 9.04). The provision of this Section 10.18 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 10.19 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

SECTION 10.20 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

SECTION 10.21 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 10.22 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Agents and the Arrangers, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents, the Arrangers and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arranger, nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings their respective Affiliates, and none of the Agents, the Arrangers, nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers and any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

SECTION 2.01. Subordination. (a) Notwithstanding the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to any Second Priority Representative or any Second Priority Debt Parties on the Shared Collateral or of any Liens granted to any Senior Representative or any other Senior Secured Party on the Shared Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law, any Second Priority Debt Document or any Senior Debt Document or any other circumstance whatsoever, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that (a) any Lien on the Shared Collateral securing, or purporting to secure, any Senior Obligations now or hereafter held by or on behalf of any Senior Representative or any other Senior Secured Party or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Shared Collateral securing, or purporting to secure, any Second Priority Debt Obligations and (b) any Lien on the Shared Collateral securing, or purporting to secure, any Second Priority Debt Obligations now or hereafter held by or on behalf of any Second Priority Representative, any Second Priority Debt Parties or any Second Priority Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Shared Collateral securing, or purporting to secure, any Senior Obligations. All Liens on the Shared Collateral securing, or purporting to secure, any Senior Obligations shall be and remain senior in all respects and prior to all Liens on the Shared Collateral securing, or purporting to secure, any Second Priority Debt Obligations for all purposes, whether or not such Liens securing, or purporting to secure, any Senior Obligations are subordinated to any Lien securing any other obligation of the Borrower, any Grantor or any other Person or otherwise subordinated, voided, avoided, invalidated or lapsed.

SECTION 2.02. Nature of Senior Lender Claims. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that (a) the terms of the Senior Debt Documents and the Senior Obligations may be amended, supplemented or otherwise modified, and the Senior Obligations, or a portion thereof, may be Refinanced from time to time and (b) the aggregate amount of the Senior Obligations may be increased, in each case, without notice to or consent by the Second Priority Representatives or the Second Priority Debt Parties and without affecting the provisions hereof. The Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the Senior Obligations or the Second Priority Debt Obligations, or any portion thereof. As between the Borrower and the other Grantors and the Second Priority Debt Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Borrower and the Grantors contained in any Second Priority Debt Document with respect to the incurrence of additional Senior Obligations.

SECTION 2.03. Prohibition on Contesting Liens. Each of the Second Priority Representatives, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, priority or enforceability of any

Lien securing, or the allowability of any claim asserted with respect to, any Senior Obligations held (or purported to be held) by or on behalf of any Senior Representative or any of the other Senior Secured Parties or other agent or trustee therefor in any Senior Collateral, and the Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, priority or enforceability of any Lien securing, or the allowability of any claim asserted with respect to, any Second Priority Debt Obligations held (or purported to be held) by or on behalf of any Second Priority Representative or any of the Second Priority Debt Parties in the Second Priority Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of any Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.

SECTION 2.04. No New Liens. The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred, (a) none of the Grantors shall grant or permit any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations; and (b) if any Second Priority Representative or any Second Priority Debt Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Obligations that are not also subject to the first-priority Liens securing all Senior Obligations under the Senior Collateral Documents, such Second Priority Representative or Second Priority Debt Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each Senior Representative as security for the Senior Obligations, shall assign such Lien to the Designated Senior Representative as security for all Senior Obligations for the benefit of the Senior Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each Senior Representative, shall be deemed to hold and have held such Lien for the benefit of each Senior Representative and the other Senior Secured Parties as security for the Senior Obligations. To the extent that the provisions of the immediately preceding sentence of this Section 2.04 are not complied with for any reason, without limiting any other right or remedy available to any Senior Representative or any other Senior Secured Party, each Second Priority Representative agrees, for itself and on behalf of the other Second Priority Debt Parties, that any amounts received by or distributed to any Second Priority Debt Party pursuant to or as a result of any Lien granted in contravention of this Section 2.04 shall be subject to Section 4.02.

SECTION 2.05. Perfection of Liens. Except for the limited agreements of the Senior Representatives pursuant to Section 5.05 hereof, none of the Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Second Priority Representatives or the Second Priority Debt Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Second Priority Debt Parties and shall not impose on the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives, the Second Priority Debt Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

SECTION 2.06. Certain Cash Collateral. Notwithstanding anything in this Agreement or any other Senior Debt Documents or Second Priority Debt Documents to the contrary, collateral consisting of cash and cash equivalents pledged to secure Term Loan Debt consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Administrative Agent pursuant to Section 2.16 of the Term Loan Agreement (or any equivalent successor provision) shall be applied as specified in the Term Loan Agreement and will not constitute Shared Collateral.

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any other Grantor, (i) neither any Second Priority Representative nor any Second Priority Debt Party will (x) exercise or seek to exercise any rights or remedies (including setoff) with respect to any Shared Collateral in respect of any Second Priority Debt Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by any Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by any Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Second Priority Representative or any Second Priority Debt Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Borrower or any other Grantor, any Second Priority Representative may file a claim, proof of claim, or statement of interest with respect to the Second Priority Debt Obligations under its Second Priority Debt Facility, (B) any Second Priority Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) any Second Priority Representative and the Second Priority Debt Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) any Second Priority Representative may exercise the rights and remedies provided for in Section 6.03 and the Second Priority Debt Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Second Priority Debt Parties or the avoidance of any Second Priority Lien to the extent not inconsistent with the terms of this Agreement and (E) any Second Priority Debt Party may (subject to the provisions of Section 6.10(b)) vote on any plan of reorganization, plan of liquidation, agreement for composition, or other dispositive type of plan of arrangement proposed in or in connection with any Insolvency or Liquidation Proceeding that conforms to the terms and conditions of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff) with respect to any Shared Collateral in respect of Second Priority Debt Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.01(a), the sole right of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Second Priority Debt Obligations pursuant to the Second Priority Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that neither such Second Priority Representative nor any such Second Priority Debt Party will take any action that would hinder or delay any exercise of remedies undertaken by any Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any and all rights it or any such Second Priority Debt Party may have as a junior lien creditor or otherwise to object to the manner in which the Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of any Senior Representative or any other Senior Secured Party is adverse to the interests of the Second Priority Debt Parties.

(d) Each Second Priority Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Priority Debt Document shall be deemed to restrict in any way the rights and remedies of the Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Until the Discharge of Senior Obligations, the Designated Senior Representative shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Second Priority Instructing Group and the Designated Second Priority Representative shall have the exclusive right to exercise any right or remedy with respect to the Collateral, and the Second Priority Instructing Group and Designated Second Priority Representative shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Second Priority Debt Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Second Priority Representatives, or for the taking of any other action authorized by the Second Priority Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Second Priority Representative or other agent or trustee acting on behalf of the Second Priority Debt Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Second Priority Debt Parties or the Second Priority Debt Obligations.

SECTION 3.02. Cooperation. Subject to the proviso in clause (ii) of Section 3.01(a), each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Senior Representatives upon the request of the Designated Senior Representative) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Second Priority Debt Documents or otherwise in respect of the Second Priority Debt Obligations.

SECTION 3.03. Actions upon Breach. Should any Second Priority Representative or any Second Priority Debt Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Borrower or any other Grantor) may obtain relief against such Second Priority Representative or such Second Priority Debt Party by injunction, specific performance or other appropriate equitable relief. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Facility, hereby (i) agrees that the Senior Secured Parties' damages from the actions of the Second Party Representatives or any Second Priority Debt Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Borrower, any other Grantor or the Senior Secured Par

ties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Senior Representative or any other Senior Secured Party.

(a) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of the Borrower), (i) in connection with the exercise of remedies in respect of Collateral by a Senior Representative or (ii) if not in connection with the exercise of remedies in respect of Collateral by a Senior Representative, so long as such sale or other disposition is permitted by the terms of the Second Priority Debt Documents and the Senior Debt Documents and, in the case of this clause (ii) other than in connection with the Discharge of Senior Obligations, the Liens granted to the Second Priority Representatives and the Second Priority Debt Parties upon such Shared Collateral to secure Second Priority Debt Obligations (but not on the Proceeds thereof that were not applied to the payment of Senior Obligations) shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Second Priority Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Priority Debt Parties and the Second Priority Representatives) and any necessary or proper instruments of termination or release prepared by the Borrower or any other Grantor, such Second Priority Representative will promptly execute, deliver or acknowledge, at the Borrower's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of

the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Second Priority Representative, for itself and on behalf of the Second Priority Debt Parties under its Second Priority Debt Facility, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Debt Documents.

(b) Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby irrevocably constitutes and appoints the Designated Senior Representative and any officer or agent of the Designated Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Representative or such Second Priority Debt Party or in the Designated Senior Representative's own name, from time to time in the Designated Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(d) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral to, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both the Designated Senior Representative and any Second Priority Representative or Second Priority Debt Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Second Priority Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor, (b) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (c) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) second, after the occurrence of the Discharge of Senior Obligations, to the Designated Second Priority Representative for the benefit of the Second Priority Debt Parties pursuant to the terms of the applicable Second Priority Debt Documents and (iii) third, if no Second Priority Debt Obligations or Senior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Representative or any Second Priority Debt Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Second Priority Collateral Documents.

(a) Except to the extent not prohibited by any Senior Debt Document, no Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Borrower agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that each Second Priority Collateral Document under its Second Priority Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

“Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Initial Second Priority Representative (as defined in the Second Lien Intercreditor Agreement referred to below) pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Second Lien Intercreditor Agreement referred to below), including liens and security interests granted to Bank of America, N.A., as administrative agent, pursuant to or in connection with the Credit Agreement, dated as of October 21, 2016 (as amended, restated, amended and restated, extended, renewed, replaced, refinanced, supplemented or otherwise modified in writing from time to time), among Jo-Ann Stores, LLC, an Ohio limited liability company (the “Borrower”), Needle Holdings LLC, a Delaware limited liability company (“Holdings”), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, and (ii) the exercise of any right or remedy by the Initial Second Priority Representative hereunder is subject to the limitations and provisions of the Second Lien Intercreditor Agreement dated as of May 21, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the “Second Lien Intercreditor Agreement”), among Bank of America, N.A., as Senior Representative, Bank of America, N.A., as Initial Second Priority Representative and its subsidiaries and affiliated entities party thereto. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the Second Lien Intercreditor Agreement shall govern.”

(b) In the event that each applicable Senior Representative and/or the Senior Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Senior Representatives, the Senior Secured Parties, the Borrower or any other Grantor thereunder (including the release of any Liens in Senior Collateral) in a manner that is applicable to all Senior Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Debt Party and without any action by any Second Priority Representative, the Borrower or any other Grantor; provided, however, that written notice of such amendment, waiver or consent shall have been given to each Second Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

SECTION 5.04. Rights as Unsecured Creditors. The Second Priority Representatives and the Second Priority Debt Parties may exercise rights and remedies as unsecured creditors against the Borrower and any other Grantor in accordance with the terms of the Second Priority Debt Documents and applicable law so long as such rights and remedies do not violate or are not otherwise inconsistent with any other provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Debt Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Debt Party of rights or remedies in respect of Shared Collateral. In the event any Second Priority Representative or any Second Priority Debt Party becomes a judgment lien creditor

in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall at any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, the applicable Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Representatives and the Senior Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Debt Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) The Senior Representatives and the Senior Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Debt Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Senior Representatives under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(e) The Senior Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Debt Party, and each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives and releases the Senior Representatives from all claims and liabilities arising pursuant to the Senior Representatives’ roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each applicable Senior Representative shall, at the Grantors’ sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks,

securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Party Representative is entitled to approve any awards granted in such proceeding. The Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by any such Person as a result of its own willful misconduct, gross negligence or bad faith. The Senior Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Debt Party in contravention of this Agreement.

(g) None of the Senior Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrower or any Subsidiary to any Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations is Deemed Not to Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Borrower or any Subsidiary consummates any Refinancing or incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to such Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing Issues. Until the Discharge of Senior Obligations has occurred, if the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative or any Senior Secured Party shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Borrower's or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("DIP Financing"), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will raise no objection to and will not otherwise contest such sale,

use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) to any “carve-out” for professional and United States Trustee fees agreed to by the Senior Representatives, and (z) to any Liens granted as adequate protection for the benefit of the Senior Secured Parties. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, further agrees that it will raise no (a) objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by any Senior Representative or any other Senior Secured Party, (b) objection to (and will not otherwise contest) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral, including pursuant to Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, (c) objection to (and will not otherwise contest) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) objection to (and will not otherwise contest or oppose) any order relating to a sale or other disposition of assets of any Grantor (including pursuant to Section 363 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law) for which any Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement; provided that the Second Priority Debt Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition under Section 363(k) of the Bankruptcy Code (or any similar provision in any Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that notice received two (2) business days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by any Senior Representative or any Senior Secured Parties for adequate protection, (b) any objection by any Senior Representative or any Senior Secured Parties to any motion, relief, action or proceeding based on any Senior Representative’s or Senior Secured Party’s claiming a lack of adequate protection or (c) the allowance and/or payment of interest, fees, expenses or other amounts of any Senior Representative or any other Senior Secured Party under Section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law and the Senior Representatives and the other Senior Secured Parties do not object to the adequate protection being provided to the Senior Secured Parties, then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien is subordinated to the Liens securing and providing adequate protection for all Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement, (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted

in the form of a Lien on additional or replacement collateral, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and any such DIP Financing and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Second Priority Debt Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement and (iii) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a superpriority administrative claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a superpriority administrative claim, which claim is subordinated to the claims providing adequate protection for all Senior Obligations. Without limiting the generality of the foregoing, to the extent that the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments, then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not be prohibited from seeking adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments (as applicable), subject to the right of the Senior Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Second Priority Debt Parties.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was avoided as or otherwise declared to be fraudulent or preferential in any respect or for any other reason, any amount (a “Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Debt Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Debt Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, and expenses and other claims, all amounts owing in respect of post-petition interest, fees, and expenses (whether or not allowed or allowable) before any distribution is made in

respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Debt Parties.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Debt Party, including the seeking by any Second Priority Debt Party of adequate protection or the asserting by any Second Priority Debt Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Debt Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Representative, provided that if requested by any Senior Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Senior Representatives (acting unanimously), including any rights to payments in respect of such rights.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities; Plan Voting.

(a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Second Priority Debt Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization or similar dispositive restructuring plan that is inconsistent with the priorities or other provisions of this Agreement, other than with the prior written consent of the Designated Senior Representative or to the extent any such plan is proposed or supported by the number of Senior Secured Parties required under Section 1126(c) of the Bankruptcy Code.

SECTION 6.11. Section 1111(b) of the Bankruptcy Code. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not object to, oppose, support any objection, or take any other action to impede, the right of any Senior Secured Party to make an election under Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, waives any claim it may hereafter have against any senior claimholder arising out of the election by any Senior Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Debt Parties have, independently and without reliance on any Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Debt Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Representative nor any other Senior Secured Party shall have any duty to any Second Priority Representative or Second Priority Debt Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrower or any Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Debt Document or any Second Priority Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Term Loan Agreement or any other Senior Debt Document or of the terms of any Second Priority Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Borrower or any other Grantor in respect of the Senior Obligations or (ii) any Second Priority Representative or Second Priority Debt Party in respect of this Agreement.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Conflicts. Subject to Section 8.18, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Secured Collateral Agent, the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of the First Lien Intercreditor Agreement and in the event of any conflict between the First Lien Intercreditor Agreement and this Agreement, the provisions of the First Lien Intercreditor Agreement shall control, subject to Section 8.23 hereto.

SECTION 8.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Debt Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of the Borrower or any Grantor, shall require the consent of the Borrower. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Secured Parties and the Second Priority Debt Parties and their respective successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. Information Concerning the Financial Condition of the Borrower and the Subsidiaries. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Representative, any Senior Secured Party, any Second Priority Representative or any Second Priority Debt Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. Subrogation. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. Additional Grantors. The Borrower agrees that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. Dealings with Grantors. Upon any application or demand by the Borrower or any Grantor to any Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), the Borrower or such Grantor, as appropriate, shall furnish to such Representative a certificate of an appropriate officer (an “Officer’s Certificate”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 8.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then extant Senior Debt Documents and the Second Priority Debt Documents, the Borrower may incur or issue and sell one or more series or classes of Second Priority Debt and one or more series or classes of Additional Senior Debt. Any such additional class or series of Second Priority Debt (the "Second Priority Class Debt") may be secured by a second priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a "Second Priority Class Debt Representative"), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the "Second Priority Class Debt Parties"), becomes a party to this Agreement by satisfying conditions (i) through (vi), as applicable, of the immediately succeeding paragraph. Any such additional class or series of Senior Facilities (the "Senior Class Debt"; and the Senior Class Debt and Second Priority Class Debt, collectively, the "Class Debt") may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the Senior Collateral Documents, if and subject to the condition that the Representative of any such Senior Class Debt (each, a "Senior Class Debt Representative"; and the Senior Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the "Class Debt Representatives"), acting on behalf of the holders of such Senior Class Debt (such Representative and holders in respect of any such Senior Class Debt being referred to as the "Senior Class Debt Parties"; and the Senior Class Debt Parties and Second Priority Class Debt Parties, collectively, the "Class Debt Parties"), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iii), as applicable, of the immediately succeeding paragraph, and becomes a party to the ABL Intercreditor Agreement by satisfying the applicable requirements thereof. In order for a Class Debt Representative to become a party to this Agreement:

(i) such Class Debt Representative shall have executed and delivered a Joinder Agreement substantially in the form of Annex III (if such Representative is a Second Priority Class Debt Representative) or Annex IV (if such Representative is a Senior Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Representative and such Class Debt Representative, and, to the extent such changes increase the obligations or reduce the rights of a Grantor, by such Grantor) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Designated Senior Representative an Officer's Certificate stating that the conditions set forth in this Section 8.09 are satisfied with respect to such Class Debt and, if requested, true and complete copies of each of the Second Priority Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct by a Responsible Officer of the Borrower; and

(iii) the Second Priority Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt shall provide that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

SECTION 8.10. Consent to Jurisdiction; Waivers. Each Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

The Pari Term Loan Debt Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document of such debt being Refinanced) of, any Pari Term Loan Debt Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) Subject to the First Lien/Second Lien Intercreditor Agreement, to the extent not required to be delivered to the Designated Senior Representative (as defined in the First Lien/Second Lien Intercreditor Agreement), the Possessory Collateral shall be delivered to the Second Lien Term Loan Agent and the Second Lien Term Loan Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Pari Term Loan Debt Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time the Second Lien Term Loan Agent is not the Applicable Collateral Agent, the Second Lien Term Loan Agent shall (subject to the First Lien/Second Lien Intercreditor Agreement), at the request of the Additional Pari Term Loan Debt Agent, (if not required to be delivered to the Designated Senior Representative (as defined in the First Lien/Second Lien Intercreditor Agreement)) promptly deliver all Possessory Collateral to the Additional Pari Term Loan Debt Agent together with any necessary endorsements (or otherwise allow the Additional Pari Term Loan Debt Agent to obtain control of such Possessory Collateral). The Borrower shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith.

(b) The Applicable Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Pari Term Loan Debt Documents, in each case, subject to the terms and conditions of this Section 2.09. In the event that any Pari Term Loan Debt Secured Party other than the Applicable Collateral Agent receives any Possessory Collateral, then such Pari Term Loan Debt Secured Party shall promptly deliver such Possessory Collateral (including any Proceeds therefrom), together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, to the Applicable Collateral Agent.

(c) The duties or responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Pari Term Loan Debt Secured Party for purposes of perfecting the Lien held by such Pari Term Loan Debt Secured Parties thereon.

(d) In furtherance of the foregoing, each Grantor hereby grants a security interest in the Shared Collateral to each Collateral Agent that controls Shared Collateral for the benefit of all Pari Term Loan Debt Secured Parties which have been granted a Lien on the Shared Collateral controlled by such Collateral Agent.

SECTION 2.10 Amendments to Security Documents.

(a) Without the prior written consent of the Second Lien Term Loan Agent, the Additional Pari Term Loan Debt Agent on behalf of itself and each other Additional Pari Term Loan Secured Party agrees that no Additional Pari Term Loan Debt Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional Pari Term Loan Debt Security Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Additional Pari Term Loan Debt Agent in its capacity as Collateral Agent, the Second Lien Term Loan Agent agrees that no Second Lien Term Loan Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Lien Term Loan Collateral Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Borrower.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Pari Term Loan Debt Obligations of any Series, or the Shared Collateral subject to any Lien securing the Pari Term Loan Debt Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Pari Term Loan Debt Secured Party or any other Person as a result of such determination.

The Applicable Collateral Agent

ARTICLE 4.01 Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01.

(b) Subject to the First Lien/Second Lien Intercreditor Agreement, in furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Pari Term Loan Debt Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Pari Term Loan Debt Documents, as applicable, pursuant to which the Applicable Collateral Agent is the collateral agent for such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the Pari Term Loan Debt Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other Pari Term Loan Debt Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Pari Term Loan Debt Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Pari Term Loan Debt Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the Pari Term Loan Debt Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of Pari Term Loan Debt Obligations or any other Pari Term Loan Debt Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or the Pari Term Loan Debt Secured Parties take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Pari Term Loan Debt Obligations from any account debtor, guarantor or any other party) in accordance with the Pari Term Loan Debt Documents or any other agreement related thereto or to the collection of the Pari Term Loan Debt Obligations or the valuation, use, protection or release of any security for the Pari Term Loan

Debt Obligations, (ii) any election by any Applicable Authorized Representative or any holders of Pari Term Loan Debt Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, the Borrower or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any Pari Term Loan Debt Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of Pari Term Loan Debt Obligations for which such Collateral constitutes Shared Collateral.

ARTICLE V

SECTION 5.02 Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 5.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Borrower's consent or which increases the obligations or reduces the rights of the Borrower or any other Grantor, with the consent of the Borrower).

(c) Notwithstanding the foregoing, without the consent of any Pari Term Loan Debt Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 and upon such execution and delivery, such Authorized Representative and the Additional Pari Term Loan Debt Secured Parties and Additional Pari Term Loan Debt Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the Additional Pari Term Loan Security Documents applicable thereto.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or Pari Term Loan Debt Secured Party, the Collateral Agents may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Pari Term Loan Debt Obligations in compliance with the Second Lien Term Loan Agreement and the other Secured Credit Documents.

SECTION 5.03 Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Pari Term Loan Debt Secured Parties, all of which are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04 Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05 Counterparts. This Agreement may be executed in e or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

SECTION 5.06 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 5.08 Submission to Jurisdiction Waivers; Consent to Service of Process. Each Collateral Agent and each Authorized Representative, on behalf of itself and the Pari Term Loan Debt Secured Parties of the Series for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Pari Term Loan Debt Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address set forth in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Pari Term Loan Debt Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Pari Term Loan Debt Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09 WAIVER OF JURY TRIAL. EACH PARTY (ON BEHALF OF ITSELF, ANY PERSON CLAIMING BY, ON BEHALF, OR THROUGH SUCH PARTY, OR ANY PERSON ON WHOSE BEHALF SUCH PARTY IS ACTING) HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11 Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the Pari Term Loan Debt Documents or any of the other Secured Credit Documents, the provisions of this Agreement shall control. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the First Lien/Second Lien Intercreditor Agreement, the provisions of the First Lien/Second Lien Intercreditor Agreement shall control.

SECTION 5.12 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Pari Term Loan Debt Secured Parties in relation to one another. None of the Borrower, any other Grantor or any creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Section 2.04, 2.05, 2.08, 2.09 or Article V) is intended to or will amend, waive or otherwise modify the provisions of the Second Lien Term Loan Agreement or any Additional Pari Term Loan Debt Documents), and none of the Borrower or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09, 2.10 and Article V). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the Pari Term Loan Debt Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13 Additional Senior Debt. To the extent, but only to the extent, permitted by the provisions of the then extant Second Lien Term Loan Agreement and the Additional Pari Term Loan Debt Documents, the Borrower may incur additional indebtedness after the date hereof that is permitted by the then extant Second Lien Term Loan Agreement

and the Additional Pari Term Loan Debt Documents to be incurred and secured on an equal and ratable basis by the Liens securing the Pari Term Loan Debt Obligations (such indebtedness referred to as “Additional Senior Class Debt”). Any such Additional Senior Class Debt may be secured by a Lien and may be Guaranteed by the Grantors on a senior basis, in each case under and pursuant to the Additional Pari Term Loan Debt Documents, if and subject to the condition that the Authorized Representative of any such Additional Senior Class Debt (each “an “Additional Senior Class Debt Representative”), acting on behalf of the holders of such Additional Senior Class Debt (such Authorized Representative and holders in respect of any Additional Senior Class Debt being referred to as the “Additional Senior Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph and becomes a party to the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement in accordance with the terms thereunder respectively.

In order for an Additional Senior Class Debt Representative to become a party to this Agreement,

(i) such Additional Senior Class Debt Representative, each Collateral Agent, each Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by such Collateral Agent and Additional Senior Class Debt Representative, and, to the extent such changes increase the obligations or reduce the rights of a Grantor, by such Grantor) pursuant to which such Additional Senior Class Debt Representative becomes an Authorized Representative hereunder, and the Additional Senior Class Debt in respect of which such Additional Senior Class Debt Representative is the Authorized Representative and the related Additional Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have (x) delivered to each Collateral Agent true and complete copies of each of the Additional Pari Term Loan Debt Documents relating to such Additional Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower, and (y) identified in a certificate of an authorized officer the obligations to be designated as Additional Pari Term Loan Debt Obligations and the initial aggregate principal amount or face amount thereof;

(iii) all filings, recordations and/or amendments or supplements to the Pari Term Loan Debt Documents necessary or desirable in the reasonable judgment of the Additional First Lien Collateral Agent to confirm and perfect the Liens securing the relevant obligations relating to such Additional Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional First Lien Collateral Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional First Lien Collateral Agent); and

(iv) the Additional Pari Term Loan Debt Documents, as applicable, relating to such Additional Senior Class Debt shall provide, in a manner reasonably satisfactory to each Collateral Agent, that each Additional Senior Class Debt Party with respect to such Additional Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Senior Class Debt.

Each Authorized Representative acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Annex II by an Additional Senior Class Debt Representative and each Grantor in accordance with this Section 5.13, the Additional Pari Term Loan Debt Agent will continue to act in its capacity as Additional Pari Term Loan Debt Agent in respect of the then existing Authorized Representatives (other than the Administrative Agent) and such additional Authorized Representative.

SECTION 5.14 Agent Capacities. Except as expressly provided herein or in the Second Lien Term Loan Collateral Documents, Bank of America is acting in the capacities of Administrative Agent and Second Lien Term Loan Agent solely for the Second Lien Term Loan Secured Parties. Except as expressly provided herein or in the Additional Pari Term Loan Security Documents, [] is acting in the capacity of Additional Pari Term Loan Debt Agent solely for the Additional Pari Term Loan Debt Secured Parties. Except as expressly set forth herein, none of the Administrative Agent, the Second Lien Term Loan Agent or the Additional Pari Term Loan Debt Agent shall have any duties or obligations in respect of any of the Collateral, all of such duties and obligations, if any, being subject to and governed by the applicable Secured Credit Documents.

SECTION 5.15 Integration. This Agreement together with the other Secured Credit Documents and the Pari Term Loan Debt Documents represents the agreement of each of the Grantors and the Pari Term Loan Debt Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Second Lien Term Loan Agent or any other Pari Term Loan Debt Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the Pari Term Loan Debt Documents.

SECTION 5.16 ABL Intercreditor Agreement. Until such time as the Discharge of ABL Obligations (as defined in the ABL Intercreditor Agreement) has occurred with respect to the ABL Obligations (as defined in the ABL Intercreditor Agreement), the provisions of this Agreement shall be subject to the terms of the ABL Intercreditor Agreement.

SECTION 5.17 First Lien/Second Lien Intercreditor Agreement. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, UNTIL SUCH TIME AS THE DISCHARGE OF SENIOR OBLIGATIONS (AS DEFINED IN THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT) HAS OCCURRED, THE OBLIGATIONS,

RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER ARE SUBJECT TO THE LIMITATIONS AND PROVISIONS OF THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT IN ALL RESPECTS.

SECTION 6. In case any one or more of the provisions contained in this Joinder should be held invalid, illegal or unenforceable in any respect, no party hereto shall be required to comply with such provision for so long as such provision is held to be invalid, illegal or unenforceable, but the validity, legality and enforceability of the remaining provisions contained herein and in the Pari Passu Intercreditor Agreement shall not in any way be affected or impaired. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
